

Report of Chief Executive, Education Leeds

Meeting: Inner North East Area Committee

Date: 31 January 2011

Subject: Consultation on expansion of primary school provision for September 2012

Electoral Wards Affected:

Moortown
Roundhay
Chapel Allerton

Ward Members consulted
(referred to in report)

Specific Implications For:

Equality and Diversity

Community Cohesion

Narrowing the Gap

Council
Function

Delegated Executive
Function available
for Call In

Delegated Executive
Function not available for
Call In Details set out in the
report

EXECUTIVE SUMMARY

This report presents the Area Committee with the consultation document on proposals for the expansion of the following schools:

- Bracken Edge Primary
- Allerton Grange School
- Carr Manor High School
- Roundhay School

The consultation documents appended form the basis of the report. Members of the Area Committee are asked to consider this and comment on the expansion proposals.

Purpose of This Report

1. The consultation documents appended form the basis of this report.
2. The consultation document asks for comments on proposals to permanently expand the following schools with effect from September 2012
 - Bracken Edge Primary School from one and a half forms of entry to two forms of entry
 - Allerton Grange School by changing the age range of the school from 11 to 18 to an age range of 4 to 18
 - Carr Manor High School by changing the age range of the school from 11 to 18 to an age range of 4 to 18
 - Roundhay School by changing the age range of the school from 11 to 18 to an age range of 4 to 18

Background Information

3. Leeds City Council has a legal duty to provide school places for every child in the city taking into account where those children live and may want to attend school. Pupil projections for the areas in which these schools are located, suggest there would be a shortage of primary school places by 2012 if no extra provision was made.
4. The consultation period runs from Wednesday 5 January 2011 to Friday 18 February 2011. Education Leeds are holding meetings to gather the views of schools, families, young people, governors, and the general public to create opportunities to debate the proposals and ask questions. The findings from the consultation will be presented to the council's Executive Board.

Main Issues

5. All the issues are described in full in the consultation documents. In addition, the following points should be noted:
6. Education Leeds continues to work closely with the 'friends of' Allerton Grange to secure a solution the issue around the land adjacent to the school.
7. Any schemes involving building works will be subject to the normal planning permission process, allowing any interested parties to comment, and meaning any traffic and access issues will receive due consideration. Schools would be fully involved in the design of the building schemes. At present it is anticipated that the scheme will primarily be achieved through the addition of modular units.
8. The demographic data suggests further provision is needed across the city beyond these proposals, and this is unlikely to be solved purely through the traditional approach of expanding existing schools. Long-term planning for the area is ongoing, and whilst some options are still at an exploratory stage, this includes:
 - working with council officers to consider the impact of new housing.
 - identifying sites / other buildings and interested parties to run new schools or split site / federated schools.
 - collaboration with all primary, Early Years and secondary providers to optimise overall use of space.
 - secondary planning for when the increased numbers work through to high school – this needs to be linked for changes to the 14-19 provision, and BSF plans.

We are establishing a new process for working with all schools and other stakeholders on an area by area basis to respond to trends and to plan and deliver a place at a local school for every child in the city. Ongoing engagement with Area Committees and ward members will be essential to this process.

Implications For Council Policy and Governance

9. All the issues are described in the Executive Board report considered in December 2010, which gave permission to consult on the proposals. The local authority has a statutory duty to provide sufficient school places. In planning that capacity, they need to take into account where those children live and where they might want to attend school.

Legal and Resource Implications

10. All the issues are described in the Executive Board report considered in December 2010, which gave permission to consult on the proposals.

Recommendations

11. The Area Committee is requested to
 - Note and consider the report appended
 - Consider any response they wish to make as a part of the consultation
