P Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e) (please read guidance note 9)

We are a national retailer that sells alcohol as part of a broad offering of goods and services. We have held off-licences in our stores for many years and are an approved British Institute of Inn-keeping examination centre. We have written training policies and formal training programmes are in place, which ensure our people are equipped to meet all licensing objectives. All training and revision/refresher materials are reviewed regularly. All stores currently comply with our 'Think 25' policy, this is brought to customer's attention through point of sale material within the store. We take legal compliance very seriously and in addition to local training we employ a central alcohol licensing compliance manager and have a compliance committee.

b) The prevention of crime and disorder

The premises will have digital CCTV system that covers many areas of the shop floor, including the proposed area which will be used for beer and wine, should we be successful with our application. Images will be retained for a minimum of 21 days and made available on enforcement request. Ordinarily, a member of the Management team will be on the premises all the time the store is open. A person will have responsibility for the premises whilst the premises are open.

c) Public safety

A person will have responsibility for the premises whilst the premises are open. Management will be trained to support the running of the premises including looking after our customers and staff. The store will adhere to all rules and regulations relating to public safety.

d) The prevention of public nuisance

We intend to be an active member of the community.
We welcome the opportunity to liaise with Police and enforcement authorities should the need arise.

e) The protection of children from harm

All staff will be trained and regularly refreshed in the corporate 'Think 25' Policy. Staff will be trained to look at the customer and 'Think 25' when selling alcohol.
A till prompt will appear on the initial sale of alcohol that will remind the seller of their responsibilities including not to sell alcohol to anyone under the age of 18.
The store will display signage around the premises informing both staff and customers of our 'Think 25' policy on alcohol.

Provision of Portable Fire-Fighting Equipment at Tesco Stores

General

Portable fire extinguishers are provided as a means of first aid fire fighting equipment but should not be considered for use on a large fire or as an aid to escape. Their portability and immediate availability allows for prompt intervention by an individual at the start of a fire.

Therefore the **suitability** and **location** will dictate the types and quantity of fire fighting equipment that is required

Suitability

Imprex Foam Extinguisher

The general purpose extinguisher deployed at Tesco stores is a 6 Litre foam (Imprex) extinguisher. It can be used on solid carbonaceous fires (Class A) involving fuels such as timber, paper, plastic etc or on flammable liquid fires, such as petrol or cooking oil (Class B).

A simple formula is used to calculate the minimum number of general purpose (class A) and (class B) extinguishes that should be provided:

$$\frac{\text{The gross floor area (metres)} \times 0.065}{27^*} = \text{Number Class A extinguishers required (rounded up)}$$

(27 being the 'A' rating of the extinguisher)

$$\frac{\text{Largest volume of spill of flammable liquid (litres)} \times 10}{183^*} = \text{Number of Class B extinguishers required}$$

(183 being the 'B' rating of the extinguisher)

Carbon Dioxide Extinguisher

These are provided by Tesco stores on fires involving live electric equipment. There is no guidance on the numbers required, however, due to widespread use of electrical equipment in Tesco stores, they are readily available in most areas

Additionally fire blankets are available in cooking areas.

Location

A person should not travel more than 30 metres to reach a suitable fire extinguisher from any point within the store. Additional extinguishers (above those needed to achieve an 'A' rating) may need to be provided to meet this requirement, but this is unlikely due to the layout of most Tesco stores.

Where possible, extinguishers are located adjacent to fire alarm call points (which in turn are adjacent to fire exits) forming a fire point, where the alarm can be raised and a decision made whether to attempt to tackle the fire or flee through the exit.

Our Ref: Licence Applications

Date 28th January 2011

Dear Sir/Madam,

Subject: APPLICATION FOR PREMISES LICENCE

PART A

Thank you for submitting your application for licensed activities at:

Name of venue:- Tesco

Address:- Elland Road, Churwell, Morley, LS27 7TB.

We write to inform you we shall be objecting to your application and a copy of this letter will be sent to the Licensing Authority.

The premises were granted planning permission for the erection of a single storey A1 retail unit in May 2010 subject to a condition restricting the hours of use of the premises. The proposed hours of use set out in your premises license application exceed those allowed by the planning permission. The Development Department objects to the granting of a Premises License in the terms as applied for due to noise and disturbance being caused to nearby residential occupiers in particular above the parade as a result of the comings and goings of customers and their motor vehicles, from customers congregating on the street in the vicinity of the building and from activities within the building. It is considered that the opening hours applied for at these premises would conflict with the Licensing objective of preventing public nuisance.

The City Development Department considers that the extended opening hours proposed are unlikely to be acceptable and that a Premises Licence should not be granted outside the hours specified in the existing planning permission unless and until an express planning permission or a Certificate of Lawful Development is obtained by the operator of the premises to extend those operating hours. If you are willing to amend your application to the hours as specified in the existing planning permission, details of which are contained in Part B, then we shall withdraw our objection.

PART B

On behalf of :

Tesco

For the premises known as and located at :

Elland Road, Churwell, Morley, Leeds LS27 7TB.

I am the applicant / representative authorised by the applicant (delete as appropriate)

In signing this document I request that the Licensing Authority accept this letter signifying my wishes to amend the application to reflect the hours as detailed in the existing planning consent, as follows :

Planning permission has been granted for the erection of a single storey A1 retail unit (permission ref 10/01347/FU dated 13-05-2010) subject to the following condition:

THE OPENING HOURS OF THE PREMISES SHALL BE RESTRICTED TO 07.00 HOURS TO 23.00 HOURS MONDAY TO SATURDAY AND 08.00 HOURS TO 22.00 HOURS ON SUNDAYS.

THE REASON FOR THE CONDITION WAS IN THE INTERESTS OF AMENITY OF NEARBY RESIDENTS.
