Introduction – Meanwood Priority Neighbourhood

The Meanwood Priority Neighbourhood is made up of the Meanwood 6 estates MSOA area although has been increased to include the nearby Stonegate estate which falls into an adjacent ward and MSOA area. It is bounded to the east by Scott hall road, to the North Stainbeck Lane and Road (excepting the Stonegate area) before cutting along Woodhouse Cliffe and down through Buslingthorpe. The major estates within this neighbourhood are the Miles Hills, Beckhills, Potternewtons, Farm Hills, Sugarwells, Boothroyds and Stonegates.

Demographically, the area is becoming more diverse ethnically with 77.86% of the population being White British 5.14% Black Caribbean and 2.44% of Pakistani origin. Faith wise 60.74% of the population Christian and 3.68% Muslim. The population of this neighbourhood is also considerably younger than would be expected with 20.50% children and 50.84% under the age of 30.

33.5% of households within this area are in owner occupation and 50% rent from the local authority. Terraced housing accounts for 30% of the total housing stock and semi detached for a further 36% and 20% of stock is flat accommodation. 74% of the properties are classified as council tax band A.

Team Meanwood Delivery Groups

Community Leadership Team – This will be made up of representatives of the local community and should include Parent Governors from local schools, Representatives from local recognised TRA's, and the local business community and potentially elected community champions. This meeting would be chaired by a local elected member and the group would meet 4 times per year. The general purpose of this meeting would be to oversee the development of the Neighbourhood Improvement Plan in particular around identifying local priorities that require action, helping to measure the success of interventions and crucially to take a lead in communicating to the wider community what activities are taking place and what improvement are being made in the local area. This should improve public awareness in the partnership and ensure that it becomes responsive to public needs.

Local Management Team – This will be made up of local service providers and chaired by the Neighbourhood Manager. This group will work with the Neighbourhood Improvement Plan and drive forward operational improvements in the priority neighbourhood. Members of this group will be selected from local service providers and it is recommended that members of this group cannot also be members of the Community Leadership Team as this could create a conflict of interests.

Inner NE Area Committee – This will provide a strategic reporting mechanism for the Neighbourhood Management project and will assist in ensuring the buy in of partner agencies and signing off the project and NIP for a twelve month period. The Area Committee will receive 6 monthly progress reports on the status of the project and an annual assessment and comparison of statistics alongside each years NIP.

Breakdown and Assessment of Neighbourhood Index Comparison

Economic Activity

This has increased in city wide ranking by 3 places (rising from 12th to 15th overall) and increases of varying significance can be seen in all aspects here with a static (non significant) improvement in Job Seekers Allowance (JSA) sub domain scoring and significant improvements in both the Incapacity Benefit and Lone Parent Income Support sub domains (2.46 and 4.25 increase in scores respectively)

Low Income

This has seen an overall increase in the last twelve months from 17th to 19th citywide however given that there have been no statistically significant improvements in any of the sub domains it would appear that this relates to other areas deteriorating than improvement in this neighbourhood. Both Children in Workless Households and Court Payment Orders have remained static with a slight deterioration in 60+ Households in receipt of benefits (0.92) and a significant deterioration in Households receiving in work benefits (7.01)

Health

This has seen the single largest domain decrease in this neighbourhood with a drop from 17th in 2009 to 7th in 2010 although the inclusion of an additional variable within this does question whether an accurate direct comparison is achievable here. The sub domains showing the greatest deterioration is that of circulatory disease mortality (a increase in score from 49.85 to 34.74) with both Cancer Mortality and Low Birth weights remaining static and some increase in the levels of Adult social care clients in this neighbourhood (a score reduction of 4.47).

Environment

Overall environment has decreased in score with a fall from 17th to 14th citywide however this is not considered to be statistically significant and is classified as remaining static. Within this there has been a significant improvement within scoring around fly tipping (increase in score of 18.09) although both graffiti and waste issues have seen slight deterioration (decreases in scores of 5.33. and 8.97 respectively).

Education

This domain has also seen a significant decrease from 28th in 2009 to 17th in 2010 although within this there are positives as well as negatives. The largest sub domain deterioration is with NEET with a decrease of 39.49% between the two years (79.31 in 2009 to 38.82 in 2010) and the next is in Kesy Stage (KS) 2 attainment with a decrease of 24.01 in score (49.76 to 25.75). There has also been a decrease in scoring around Persistent Absenteeism (43.18 to 37.63). Foundation stage attainment has remained static and there have been small improvements in KS4 attainment levels (4.84 in 2009 to 13.01 in 2010).

Community Safety

This has seen a significant improvement within this locality rising by three places to 28th in Leeds (previously 25th). Within this the sub domain with the greatest improvement is Environmental Crimes with a score increase of 15.75 (48.5 in 2009 and 64.25 in 2010) and improvements are

also seen in crimes against individuals with an increase score of 9.49 (56.99 in 2009 and 66.48 in 2010). Acquisitive crimes remained static and there was a slight deterioration in community disorders (69.91 in 2009 and 65.61 in 2010).

Housing

This domain has seen the greatest single increase in this neighbourhood with the score improving from 35th in 2009 to 44th in 2010. The two sub domains with the highest increase are average purchase price (rising £18,904 and score wise increasing from 12.81 in 2009 to 18.14 in 2010) and in price / income ratio which has increased in score by 12.24 (34.33 in 2009 and 46.57 in 2010). Empty properties have remained static and there has been a deterioration in Housing turnover with a score decrease of 9.6 (81.35 in 2009 and 71.75 in 2010).

DRAFT

Neighbourhood Index 2010 Assessment

Economic Activity

This domain remains a primary concern within Meanwood despite recent improvements and all the sub domains are well above the Leeds average, indeed almost double in most instances. Particular sub domains requiring attention are levels of incapacity benefit (11.07% compared to 1.8%) and Lone parent income support (4.64% compared to 1.8%) with JSA also high at 8.74% (compared to 4.9%).

Low Income

As with the previous domain, this remains a significant issue within Meanwood with all aspects significantly higher than the Leeds average. In particular Children in workless households (36.62% compared to 19.15%) and households receiving in work benefits (7.48% compared to 3.81%).

Health

This is the lowest indicator within the neighbourhood showing 7th in the city. The major sub domain impacting here remains Cancer mortality (165.25 per thousand compared to 118.33) and 2010 has seen an increase in circulatory disease mortality (150.26 per thousand compared to 85.36). Low birth weights are also higher here than the Leeds average but not with the same statistical significance.

Environment

The major issue within this neighbourhood environmentally remains fly tipping with 161 reports in 2010. The next sub domain being waste issues with 56.

Education

This domain is significantly worse across all sub domains with the exception of Foundation Stage attainment (which is just above the Leeds average). The greatest difference within this domain is with KS 2 attainment (52.31% compared to 71.02%) and KS 4 attainment (23.81% compared to 45.11%) although both NEET and Persistent Absenteeism remain a concern, both being higher than the Leeds average (10.15% compared to 6.79% and 12.81% compared to 8.00% respectively).

Community Safety

This domain has seen an improvement over the last twelve months however work needs to continue, notably in the sub domains of community disorders and acquisitive crimes although there is no data to compare against the Leeds average.

Housing

This domain cannot be treated as a priority within the Meanwood area, average house prices rose in the last 12 months by nearly £18,904 and both Housing turnover and Empty Properties are above the Leeds average (14.36% compared to 14.81% and 6.86% compared to 7.18% respectively).

Breakdown and assessment of Community Perception Survey

The major community issues within the Meanwood neighbourhood relate to Noisy neighbours (34%) and rubbish and litter (30%) closely followed by Vandalism or graffiti (27%) and disruptive young people (24%) with drug dealing or use (21%). This clearly identifies that the major concerns in this locality continue to be based around the Crime and Environmental agendas.

In examining the illustrations detailing all responses however there is significant differences appearing within this. Litter and rubbish is clearly an issue however to approx three quarters of the respondents it is not so it could be considered that there are lines of demarcation within Meanwood where issues are more severe than others and that there has been a recent improvement. This is mirrored in the feedback relating to Disruptive Young people (not an issue for over 75% of the respondents) and drug use / dealing which again would both indicate a spatial variation and improvements that have taken place. Noisy neighbours however appears to be more of an all round issue from this regard with a more balanced graph indicating this.

Crime statistics Breakdown and Assessment

From overall offences committed this table indicates that it is the Beckhill area that has the highest cause for concern with 453 offences taking place last year. This is followed by the Miles Hill / Potternewton areas with 379.

This table indicates that the majority of offences relate to community disorders (likely to relate to anti social behaviour) with both the Beckhill and Miles Hill areas showing significant issues. In addition Acquisitive Property crime continues to be an issue on the Beckhill estate in particular and this estate is also highlighted as a worst performer for Crimes against individual.

This would support the priorities outlined above that Acquisitive Crime and Anti Social Behaviour activities continue to be a priority for the 2011-12 financial year.

Indicies of multiple deprivation information

Overall this indicates a significant improvement since 2007 with significant improvements in the two most deprived neighbourhoods (Miles Hill / Potternewtons and Beckhill estates). This is tempered however with a fall in the Stonegate estate. Significant improvements should be noted within all LSOA's around Living environment and Crime and disorder domains and in almost all within the Employment deprivation domains (the exception being the Stonegate estate with a significant decrease in this area). The major issue highlighted within these statistics is in the Education, Skills and training domains which have seen a reduction in all areas with the exception of the Miles Hills / Potternewtons (which has increased) although the fall of 1 in the Beckhill estate has little statistical significance and could be seen as remaining static.

Identified Priorities

- 1. Continue to improve the environment, in particular fly tipping, noise nuisance and waste issues.**
- 2. Continue to improve the Community safety aspects, in particular relating to acquisitive crimes and community disorders**
- 3. Reduce the NEET and Persistent Absenteeism rates**
- 4. Continue to work around the cancer mortality rate**
- 5. Reduce the Incapacity and JSA claimaints in this area**

DRAFT

Action Plan

Continue to improve the environment, in particular fly tipping, noise nuisance and waste issues

Contributing Work stream / Action	Timescale	Lead Organisation	Outcomes and Measures
Reduce waste deposition issues in Meanwood			
Monitor Grime hotspots through ward tasking to monitor hotspot areas.	Ongoing	6 weekly meetings per annum	LCC AMT and Partners
Highways issues within the Beckhill estate. These continue to be a cause for concern and are identified and flagged to Highways through local housing staff and BIG members for action	Ongoing	LCC AMT and BIG partners	Repairs completed as required
Monitor condition of streets in priority areas and ensure regular contact with LCC Streetscene to tackle issues	Ongoing through CLT and BIG	ENE AMT	Improvements in Streetscene
Put in place 3 recycling sites in the Beckhills to reduce the amount of rubbish left out in bags.	Complete by Aug 2010	LCC Recycling	3 sites across the Beckhill estate, Completed May 2011
Deliver leaflets to streets following successful enforcement actions.	Initial leaflet Oct 2010.	ENE AMT	Partial, initial leaflet developed and first one to be delivered in area Oct 2010.
Audit of work undertaken in Stonegates estate alongside partners and plan of action in place to improve fencing, clear green spaces and ginnels and alter	August 2010 and Nov 2010	WYP / LCC AMT / Unity / Leeds Federated Housing / WYPS	Plan developed and works started by all partners to rectify issues. Ongoing.
Ensure WYPS have a site office within the Meanwood area for them to continue the clean up, strimming and environmental improvement works that have started.	March 2011 – ongoing	LCC AMT / ENEHL	Potential block identified but waiting for the next flat to become vacant.
Green space improvements in Meanwood			
Potternewton Lane verges to be cut back and cleared of fly tipping. Monitor as still fly tipping in area, to be targeted by ENEHL and LCC EAT	April 2011 – ongoing	ENEHL / LCC EAT	Monitor
Potternewton Crescent green space to be cleared and a maintenance agreement developed for long term improvement	Partial May 2010	WYPS / ENEHL / Parks and Countryside	Partial improvement, site cleared but maintenance agreement outstanding
Meanwood Road Bandstand Allotments, improve the site, increase opportunities for new uptake on sites and link in with Probation to reduce re-offending. Work to commence on clearing initial plots Sept 2010 and potential funding for a two year project to be confirmed the same month.	Sept 2010	WYPS / LCC Allotments / ENE AMT	Improvement of the site Increased uptake of plots Probation working to up skill offenders Development work with plot holders. Phase 1 complete. Needs re-visiting however.
Improvement works to the Stonegate Green Green space with Leeds federated housing and Groundworks delivering improvements. Intention to improve passive visibility and remove footpaths creating	June 2011 – August 2011	Groundwork Leeds / Leeds Federated Housing	Project completed and improvements made. Waiting confirmation of start date from Groundwork

safer area for residents.			
Probation developing a programme of work in the Stonegate estate to improve the aesthetics of the estate and reduce the concern felt by the community.	July 2010 – ongoing	WYPS	Phase 1 improvements completed and phase 2 linked to the above master plan for the Stonegate estate. Complete
Environmental audit of Stonegates completed and improvements commenced	July 2010 – ongoing	LCC Streetscene / LCC EAT / Unity / Leeds Fed	Improve the aesthetics of the estate. Reduce local concern among community. Phase 1 complete. Phase 2 complete.
Improve fencing to properties across the Stonegate estate	April 2011 – August 2011	UNITY / Leeds Federated Housing	Plans developed,

Continue to improve the Community safety aspects, in particular relating to acquisitive crimes and community disorders

Contributing Work stream / Action	Timescale	Lead Organisation	Outcomes and Measures
Reduce ASB in the neighbourhood			
Target local perpetrators of Crime and ASB through the Chapel Allerton ASB Group and Ward tasking	Apr 2010 ongoing	WYP	Reduction in ASB calls and public concerns. Ongoing but evidence indicates positive impact
Develop targeted action plan for nominal's and operate with local partners to take enforcement action	May 2010 and ongoing	WYP	Reduction in ASB calls and public concerns Ongoing but evidence indicates positive impact
Increase the effectiveness of youth provision in the area, in particular over time look to improve the numbers attending the new youth provision at Beckhill House although not conflicting with any existing provision. Role for all agencies to support Youth Services there due to concern from parents relating to the location.	Mar 2011	Youth Services / All BIG Partners	Monitor numbers attending the provisions.
Monitor and incorporate activity for nominal's in the Potternewtons and Stonegate parts of the wider Meanwood area through ASB Action Plan	Commenced wider remit July 2010	WYP / ASBU / ENEHL / RSL	Reduced ASB calls and concerns of victimisation – Action Plan and partnership group developed.
Link peripheral nominals to local youth activity being developed through the Youth Activities section	Ongoing	All local agencies	Increased uptake in youth provisions in the area.
Action plan for ASB Nominals mirrored on CA approach developed and being implemented for Stonegate estate.	Dec 2010 and ongoing	WYP / Unity / Leeds Fed / LCC AMT / Safer Leeds / EAT / WYPS	Ongoing but successful, WYP report less ASB in the area due to effective partnership activities.
Incorporate new partners into the ASB Meetings for the ward to develop this into a "Challenge and Support" meeting rather than just punitive action and to make sure that activities of support and more punitive responses are complimentary.	Apr 2011	LCC AMT / WYP	Ongoing but new partners joined including Safer Schools Officers, Childrens Centres and CAF team. Working to further develop this.

Reduce acquisitive crime			
Gating project for Beckhills outlined above is expected to have a positive impact on acquisitive crime.	Funding bids developed and submitted Sept 2010	ENE AMT / Safer Leeds	Gating order consultation in place, Planning permission received and expected completion July 2011
Target perpetrators of acquisitive crime for ASB initiatives to deter offending including work with tenancy enforcement and ASB ward group as appropriate	May 2010 ongoing	WYP / ENEHL / ASB Unit	Reduction in acquisitive crime in neighbourhood. Ongoing, issues currently relating to clearance properties in Beckhill estate.
Run operations to identified hot spots to target victims and potential victims, raise awareness and provide target hardening where possible	Apr 2010 Ongoing	WYP / Safer Leeds / ENEHL / ENE AMT	Reduction in acquisitive crime in neighbourhood. Ongoing, issues currently relating to clearance properties in Beckhill estate.
Burglary reduction and target hardening initiative in Meanwood, targetting identified priority streets.	March 2011 – June 2011	WYP / ENEHL / CASAC/ Safer Leeds/ LCC AMT	Evidenced reduction in burglary within the estate. Initial indicators show significant reduction in offences.
Monitor the statistics regarding Acquisitive Crime through Neighbourhood tasking.	Ongoing	WYP / LCC AMT	Respond to issues as they appear throughout the year.
Improve public confidence			
Gating projects and improvements to streetscape will have positive impact over public confidence as outlined in sections above.	As above	ENEHL / ENE AMT / Safer Leeds / WYP	As above
Improved information about activities and communication with local partners through operations	Ongoing from Apr 2010	All BIG Partners	8 No operations per annum to improve communications. Next one to take place 11.11.2010 in Miles Hills and Beckhills areas.
Increase the activities on offer for young people in Meanwood			
Open, set up a management committee and agree funding for the 17-21 Beckhill Avenue community provision. Issues relating to agencies willing to manage this property and some funding issues to get this property running have been evident. Networks Cluster leading on development of this property. Need to develop resident involvement through including parents in steering committee.	Oct 2010 - ongoing	ENEHL / ENE AMT / Carr Manor High School	Property opened and in use, Youth club and Breakfast Club operating there and a key facility for the planned Summer activities.
Youth Services to act as lead partner in ensuring that cross ward activities are still available for all young people.	May 2011	LCC Youth Services	
Target activities between WYP and Youth Services to target individuals at risk of taking part in ASB with other activities.	May 2010 and ongoing	WYP / Leeds Youth Service	Reduced rate of offending and increased attendance at youth provision. Ongoing
Youth Services to look at cross boundary staffing issues tom improve	May 2011	Leeds Youth services	Update through BIG meetings

the knowledge about activities taking place in all areas.			
---	--	--	--

Reduce the NEET and Persistent Absenteeism rates – (Actions to be developed through the BIG group in consultation with Extended Services)

Contributing Work stream / Action	Timescale	Lead Organisation	Outcomes and Measures
<u>Develop initiatives through BIG group to improve school attendance</u>			

Reduce Cancer Mortality rate in Meanwood

Contributing Work stream / Action	Timescale	Lead Organisation	Outcomes and Measures
<u>Cancer Mortality Issues</u>			
Promote the smoke free homes initiative in the Meanwood Area. All to have literature regarding smoke free homes in centres and actively promote to customers	Feb 2011 ongoing	NHS Leeds. Childrens Centres, Primary School, ENEHL	No Leaflets distributed No Centres and staff promoting service
Promote local smoke cessation services, To identify and promote the services through existing frontline staff in Meanwood for them to promote to their customers	Feb 2011 ongoing	NHS Leeds	Increase in numbers attending sessions No Staff aware of service
March Stop Smoking Week, Promote literature in local shopping and community centres / Scott Hall leisure centre regarding cost of smoking, emotional cost etc as well as how to stop	Mar 2011	NHS Leeds	
Start discussions with local retailers regards attitude to cigarette sales and potential to change displays.	Feb 2011	NHS Leeds	No Retailers engaged with
Illegal tobacco sales, to discuss with Meanwood Health and Wellbeing Group and BIG group the links between this and criminality and see whether opportunities exist for a partnership push to tackle this issue.	Feb 2011	All local partners	Action plan developed and implemented.
Promote the smoke free homes initiative in the Meanwood Area. All to have literature regarding smoke free homes in centres and actively promote to customers	Feb 2011 ongoing	NHS Leeds. Childrens Centres, Primary School, ENEHL	No Leaflets distributed No Centres and staff promoting service
<u>Promote healthy lifestyles</u>			
ZEST and Healthy Living Network will promote activities and healthy	Mar 2010 Ongoing	NHS Leeds	Reduced child obesity within Meanwood

eating opportunities with parents and young people in Meanwood			
Implement the Change For Life project in Meanwood.	Feb 2010 and ongoing	NHS Leeds	Implementation and advertising campaign
Promote the Change for Life campaign through all partners in Meanwood.	May 2010 and ongoing	NHS Leeds / BIG Partners	All agencies use the Change for Life branding and advertise
`			

Reduce the Incapacity and JSA claimants in this area

Contributing Work stream / Action	Timescale	Lead Organisation	Outcomes and Measures
<u>Improve access to services within Meanwood</u>			
Identify local service providers to deliver local employment based activity, linking to local centres.	May 2011	LCC AMT / Jobs and Skills / Job Centre Plus	This had been arranged however the contractor to deliver was not commissioned through the work programme and still waiting on replacement.
Look to develop a Job Club working in the area, research effectiveness of these in other areas of the city and identify local partners or volunteers to develop this within the Meanwood area.	May 2011	LCC AMT / BIG Partners	Meeting arranged alongside Jobs and Skills to develop this.
Link Jobs and Skills and ENEHL (and other housing providers eventually) to promote and advertise the Job Shops and training services available at the Reginald Centre through annual tenancy visits and sign ups of new tenants.	May 2011	ENEHL / LCC Jobs and Skills	To develop
Look to include the ENEHL Worklessness projects within the Meanwood area.	May 2011	ENEHL	LCC AMT to contact ENEHL and obtain more details.

<p>Data cells and pie diagrams are coloured to highlight levels of significance as used elsewhere in the index (from the City average in the case of scores or "No Change" i.e. Zero, in the case of score changes).</p> <p>Whilst the concept of "significance" highlights statistically important values within a dataset it must be noted that the bands are unique to each indicator and domain for each year, or period of comparison in the case of "change".</p>	

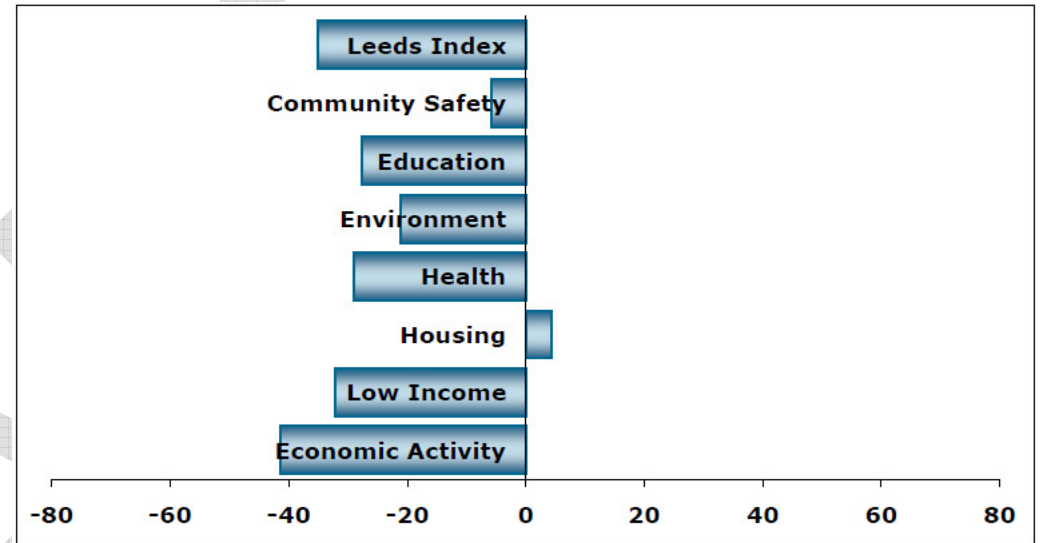

Table indicating the weighting and explanation of the domain statistics

Domain Indicators and Weightings

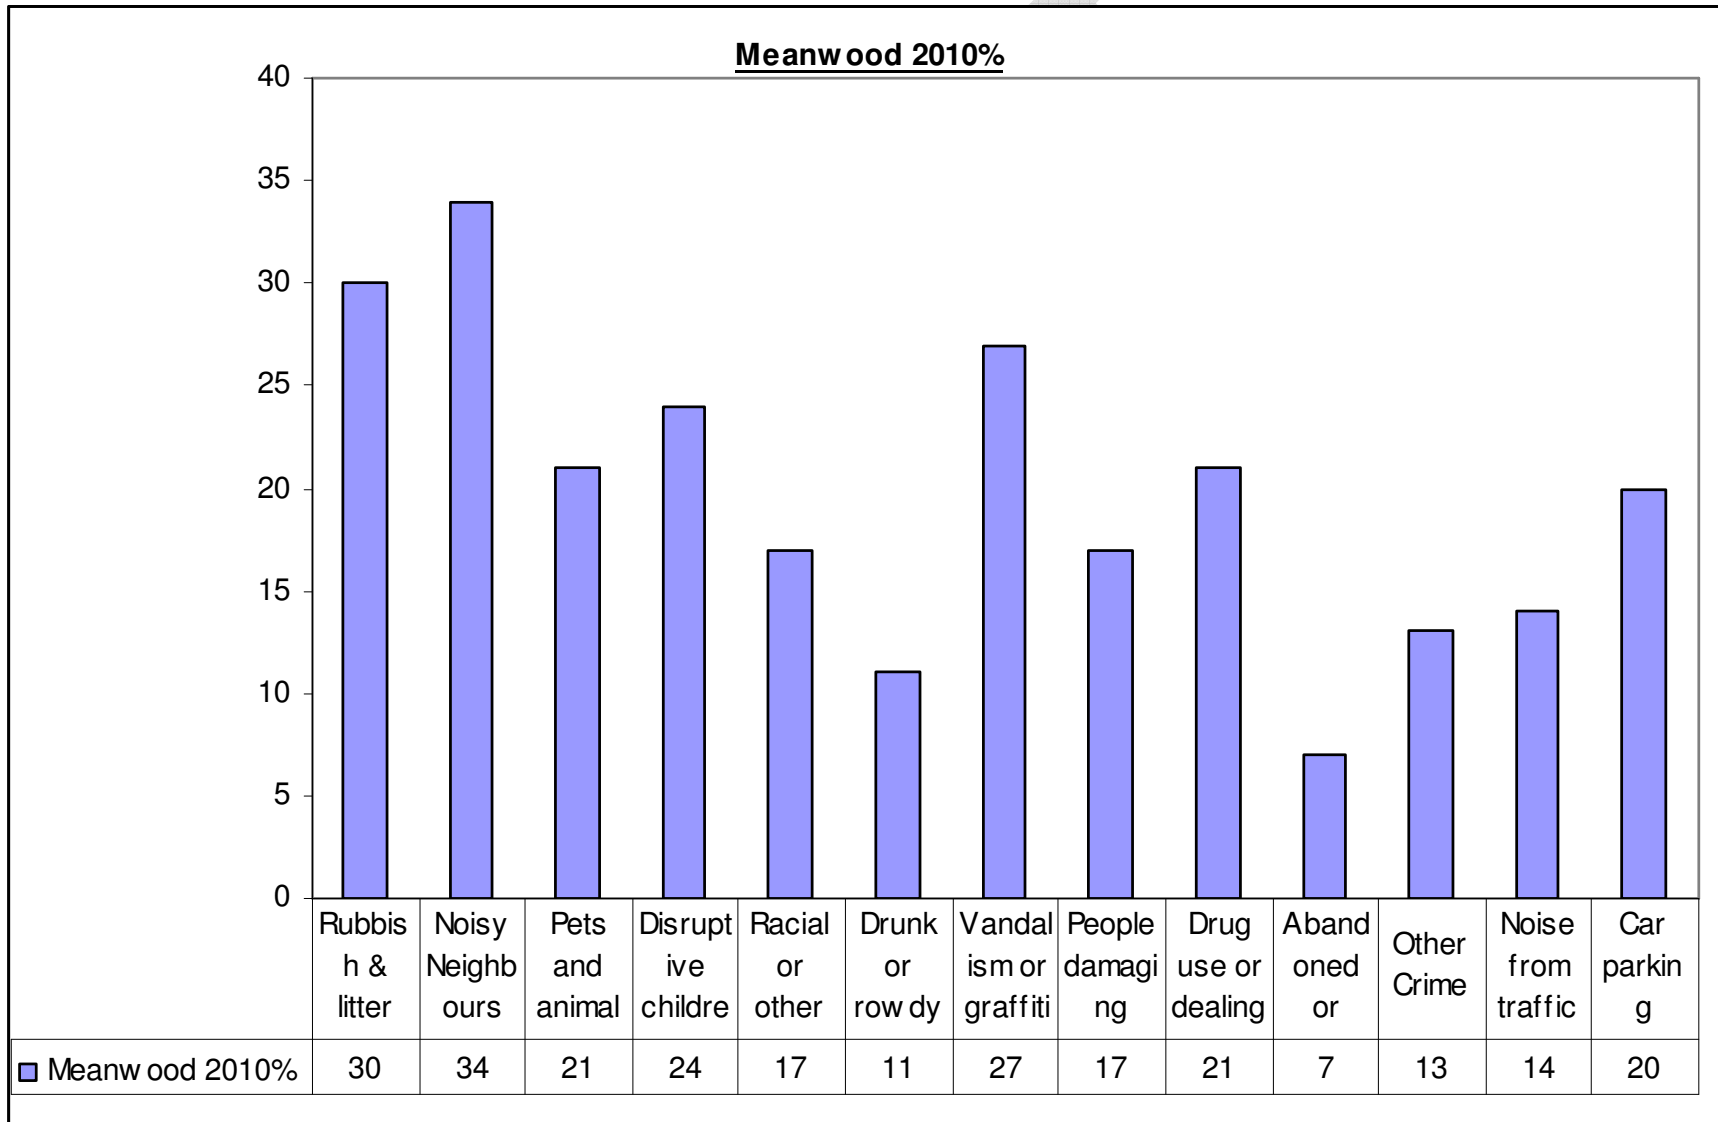

Domain / Indicator	Weighting
Economic Activity	22.5%
% of working age population claiming Job Seekers Allowance	33.3%
% of working age population claiming Incapacity Benefit	33.3%
% of working age population who are Lone Parents claiming Income Support	33.3%
Low Income	22.5%
Number of children in working age households in receipt of IS/JSA and claiming Housing / Council Tax benefit	45%
Number of working age households claiming Housing / Council Tax benefit but not in receipt of Income Support or Job Seekers Allowance	30%
Number of older age households in receipt of Housing / Council Tax benefit	15%
Number of liability orders issued for non-payment of Council Tax	10%
Education	15%
% pupils who are persistent absentees	22.5%
% pupils achieving level 4+ in Key Stage 2 English and Maths	22.5%
% pupils achieving 5 or more GCSEs at grades A*-C, including English and Maths	22.5%
% pupils achieving 78+points plus 6+ in CLL and PSE at Foundation Stage	22.5%
% of school leavers who are NEET	10%
Health	10%
Circulatory Disease Mortality (under 75 years)	33.3%
Cancer Mortality (under 75 years)	33.3%
Low Birthweight	33.3%
Community Safety	10%
Crimes against individuals	25%
Acquisitive Property Crime	25%
Environmental Property Crimes and Disorders	25%
Community Disorders	25%
Environment	10%
Number of Fly Tipping clearance jobs attended by City Services	33.3%
Number of Graffiti clearance jobs attended by City Services	33.3%
Number of services requests received by Health and Environmental Action Services dealing with Waste Issues	33.3%
Housing	10%
Average house purchase price	17.5%
Purchase price to Income Ratio (lowest quartile)	27.5%
Housing turnover (churn)	27.5%
% of properties that have been empty for 90+ days over the course of a year	27.5%

Benefit Claimants

LSOA 's		JSA Claimants		Incapacity Benefit Claimants		Persistent Absenteeism	
		Number	Rate	Number	Rate	Number	Rate
E01011354	Beckhills	130	10.9%	110	9.5%	10	10.8%
E01011355	Miles Hills/ Potternewtons	57	5.8%	95	9.9%	13	11.8%
E01011450	Boothroyds/Sugarwells Farmhills	44	4.1%	95	9.4%	10	13.7%
E01011691	Stonegates	64	6.2%	105	9.9%	16	17.6%

- The greatest LSOA for JSA claims is the Beckhill estate (354) with a rate of 10.9% and 130 claimants. The lowest is Boothroyds/Sugarwells/Farm Hills with only 4.1%.
- There is a very broad similarity across the whole neighbourhood relating to Incapacity Benefit Claims with all four neighbourhoods having 9.4% - 9.9% and between 95 and 110 claimants.
- For persistent absenteeism the Stonegate estate (691) has the highest rate and number followed by the Boothroyds / Sugarwells and Farmhills (450). The Beckhill estate has the lowest rate.

NB. There is no LSOA data for NEETs as the numbers are so few that there is little meaningful information that can be obtained at this level.
