It will also include details of the key initiatives that have been delivered in local communities to reduce crime and disorder. The report focuses upon the period 1<sup>st</sup> April 2010 to 31<sup>st</sup> March 2011.

### Recommendations

The Area Committee is asked to note the contents of this report of the North East Divisional Community Safety Partnership.

Members are asked to continue supporting the Divisional Community Safety Partnership in relation to prioritising and tackling Burglary Dwelling during 2011/12 through partnership work at neighbourhood level.

## **Purpose of this report**

1. This report provides Members of the Area Committee with an overview of the performance of the North East Divisional Community Safety Partnership and ward based Neighbourhood Policing Teams. It will also include details of the key initiatives that have been delivered in local communities to reduce crime and disorder. The report focuses upon the period 1<sup>st</sup> April 2010 to 31<sup>st</sup> March 2011.

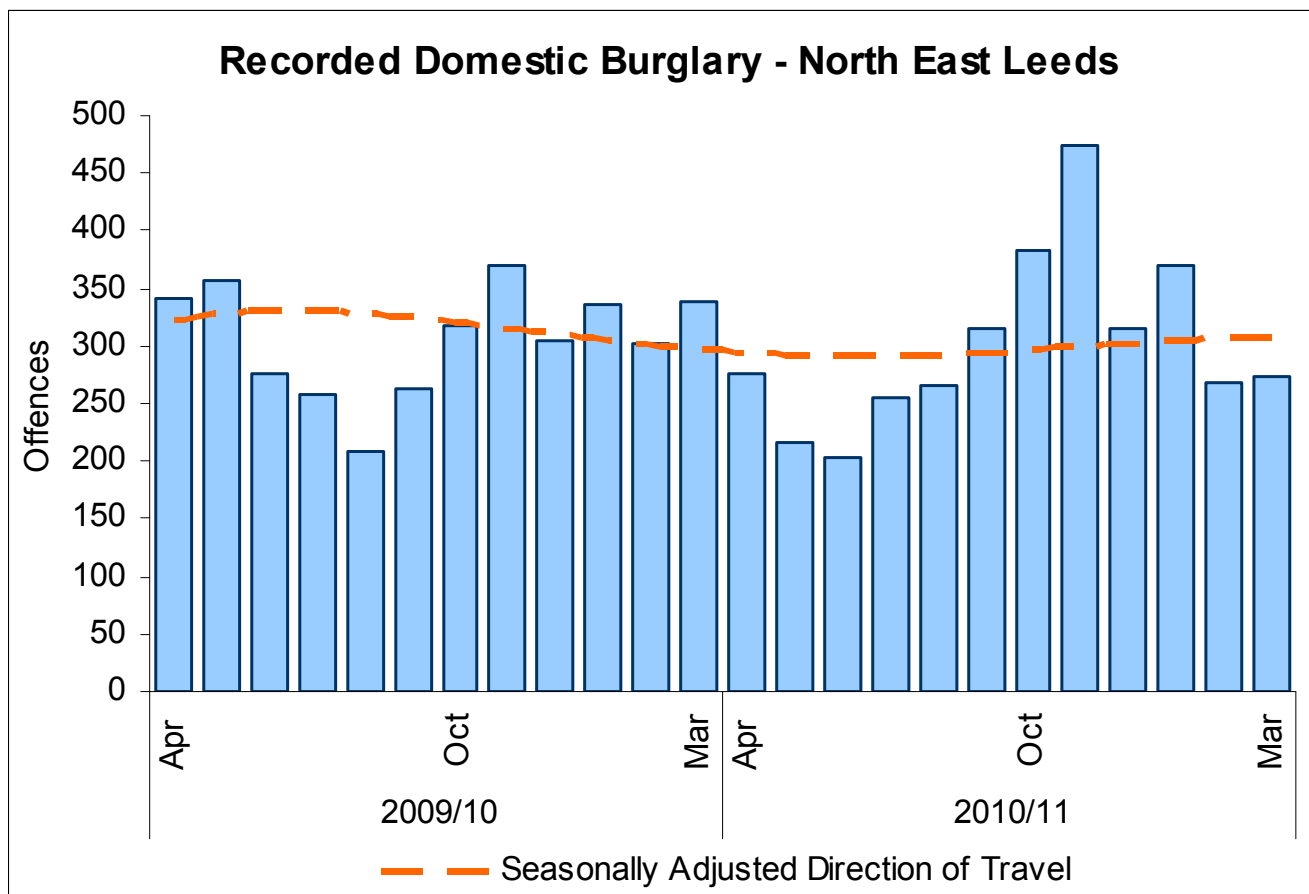

## **Background information**

2. The report will focus on the following key issues:
  - Update Members on progress and outputs of the Neighbourhood Management Tasking Arrangements
  - Report on Thematic Sub Groups and activities
  - Report on the Performance of the NE Police Division and partnership
  - Summary of ward crime statistics, public confidence and user satisfaction
  - Report on multi agency 'Operation Champions'
  - Report on agreed community initiatives funded via Proceeds of Crime confiscations (POCA).

## **Main issues**

### **Update on the structure of the North East Police Divisional Community Safety Partnership and Neighbourhood Management Tasking Arrangements**

3. The Divisional Community Safety Partnership (DCSP ) Strategic Plan 2011- 2015 is currently in development and will be the framework upon which the DCSP will develop activity and management performance against strategic outcomes of the city, defined by The Safer and Stronger Communities Board Partnership plan 2011-2015 which will focus on delivering the following strategic priorities:
  - Reducing crime levels and its impact across Leeds
  - Effectively Tackle and Reduce Anti-social behaviour in our Communities
4. We are currently awaiting ratification of the Safer Leeds performance targets and performance framework for 2011/12.
5. Attached is a brief of the final Divisional targets (10/11) based on actual outturns and Divisional Targets set for 2011/12 (see Appendix A).
6. Burglary Dwelling remains a key pressure in relation to allocation of resources both staffing and financial. Tackling burglary dwelling remains a key priority within the Division and across the whole of Leeds, we are working closely with Safer Leeds Strategic burglary group to maximise opportunities for closer working and sharing good practise and continue to deliver initiatives at a local neighbourhood level . Although we missed our divisional target by 357 offences we still achieved a 1.6% reduction on 2009/10 despite high peaks in October, November and January (see chart on next page).

7. Attached is an updated structure chart for the North East Divisional Community Safety Partnership (see Appendix B) with details of the relevant lead officers. The structure will be reviewed to ensure delivery against new priorities.
8. A review took place in September to discuss multi-agency operations 'Operation Champion' across neighbourhoods and how it would be delivered during 2011. It was agreed to continue delivering a minimum of one day of action per Neighbourhood Policing Team per six weekly tasking cycle, the themed approach has proved successful and has led to more focussed targeting of issues/areas. A timetable has been produced for 2011. Please note that on occasions these dates may change due to operational demands or unforeseen circumstances.

#### **POCA**

9. Following the success of the project during 2009/10, the North East Division allocated a total of £39,639 funding confiscated from criminals under the Proceeds of Crime Act to the Divisional Community Safety Partnership during 2010/11 to continue to support local groups with community projects/activities. In total, across the whole division, we approved and funded 124 applications and spent £38,677. We have received numerous emails showing appreciation and thanks for support. Information regarding the awards continue to be advertised in the neighbourhood management / Neighbourhood Policing Team newsletters and on the police Neighbourhood Policing Team websites. We will be continuing the scheme into 2011/12 and have received funding for the first quarter of the year. Appendix C provides a summary of projects funded in the Outer North East area.

10. North East Leeds continues to have the highest Public Confidence in Local Policing during 2010/11 at 60.3 % (March 2011) compared with the West Yorkshire force average of 52.3%. The Wetherby neighbourhood policing team has the highest rate across Neighbourhood Policing Teams in the division followed by Roundhay, Alwoodley and Moortown Neighbourhood Policing Team.
11. Operation Confidence commenced in February 2009 and is a contributing factor to the high rates of public confidence. The North East Division produces 11 neighbourhood management newsletters detailing partnership activity around crime and grime within the Neighbourhood Policing Team and delivers to 128,000 households. Feedback from residents continues to be positive and illustrates they are pleased to be kept informed around crime and grime issues. Funding has been secured for 2011 and contributions have been agreed by North East Police Division, East North East Homes, Aire Valley Homes and Safer Leeds Partnership.

### **Neighbourhood Management Tasking Key Achievements 2010/11**

12. The eleven neighbourhood management tasking teams continue to meet six weekly and are still firmly embedded into agencies day to day business and members continue to attend and support meetings.
13. This is not an exhaustive list of activities but includes key achievements from each of the neighbourhood management tasking teams in the Outer North East area (data extracted from Divisional Community Safety Partnerships executive quarterly highlight reports).
14. **Wetherby & Harewood**
  - Environmental issues in and around Wetherby High School caused complaints from local residents. After discussions between partners at Tasking and the Head Teacher at the school it was agreed that pupils would take responsibility for litter picking during breaks and lunch. Environmental Enforcement also visited local shops handing out fixed penalty notices.
  - Week commencing 21<sup>st</sup> June – Wetherby Environment Week – multi agency week of working with tasking partners cleaning up and pruning bushes on the Hallfield and Ainsty estates. Salvation Army, Groundwork and local residents were involved.
  - Problems with dog fouling on Bridal Way, Harewood Estate – monitoring by Dog Warden and Environmental Enforcement resulting in a new bin being installed
  - Lofthouse Gate Car Park, Harewood Estate – problems with dog fouling and rubbish – being monitored by Environmental Enforcement with a view to taking enforcement action.
  - Problems with speeding on Main Street, Aberford and local poaching / farm crime – good success rate with tickets issued by Farm Watch Officer
  - Problems with levels of refuse in Wilderness Car Park, Wetherby especially at weekends – local fish & chip shop have agreed to sponsor new bins for the car park.
  - Sandringham Park – continual complaints throughout spring and summer from local residents regarding levels of noise and anti social behaviour – Tasking agreed installation of noise equipment .

- On 15<sup>th</sup> November a joint operation was run between Wetherby NPT and the Prison Service at Wealstun Prison. It ran during visiting hours with the prison service dealing with the inside of the prison and the police concentrating on vehicle movements in and around the prison. Over 30 vehicles were stopped and interrogated.
- A multi agency operation took place between the Police, Anti-Social Behaviour Unit and East North East Homes during which all 37 dwellings on Kirkfield Avenue were visited and interviewed during which they were made aware of choice based lettings.
- Wickham Avenue – food waste identified at the back of shop – Environmental Enforcement issue with pest infestation.
- Aberford – Assistance given to residents to reduce the number of theft from sheds and outhouses, bring poaching offenders to justice on the farms.

## 15. **Alwoodley**

- Operation Champions – April 2010 - Lingfield and Cranmer Bank
- Vehicle Crime operation - increase in TFMV at end of June 37 over last years figures. PCSO's complete street surveys identifying vulnerable vehicles and alerting owners.
- Operation Champion 16/7/10 - Alderton Heights.
- Operation Champion 24/9/10 - Lingfields and Cranmer Bank
- Operation Bellwether - burglary reduction operation across RAM. Police Community safety officers continue to revisit burglary victims and offer tremblers alarms.
- Operation Champion –24<sup>th</sup> March in Alwoodley Ward.
- Theft from motor vehicles continues to be a problem with over 100 more offences this year than last. We have conducted a crime reduction roadshow at Sainsburys Moor Allerton Centre. This has included offering security screws to secure registration plates which are being stolen in some offences.
- In terms of ASB the partnership has put more security on the shops at Cranmer Bank including locked gates and fencing. We have met with Youth Services in Alwoodley to co-ordinate our approach to an increase in street robbery. We are running Operation Burst which focuses on Anti social behaviour hotspots on a Friday and Saturday evening.

### **Thematic Sub Groups and Activities**

#### **Most Active / Amber Nominals / Offender Management Burglary Pilot**

16. Pilot commenced with regards to the offender management of known burglars. 20 nominals have been selected by the North East Division for the duration of the pilot. The group consists of Youth Offending Service, Probation, Housing, newly established anti social behaviour unit and West Yorkshire Police. The group will identify where partnership work can be improved to ensure opportunities for closer working and management of offenders are maximised.

#### **Media Campaign - Handling / Receiving Stolen Goods**

17. A marketing design has been produced 'Don't sit on the fence' and the design has now been ratified by Crime stoppers and West Yorkshire Police marketing department. The campaign was launched during April 2011 following a city wide

operation around specific targeting of second hand gold shops suspected of handling or receiving stolen goods.

### **Test Purchasing / Licensing Enforcement**

18. The area committee contributed towards additional test purchase in the RAM Neighbourhood Policing Team following the success of Operation Buzzer. Since June last year 9 test purchases have been carried out on 'off licensed premises' resulting in only two fails and 9 test purchases on 'on licensed premises' resulting in just one fail.
19. The premises that failed are reviewed and requested to attend an action planning meeting and will be subject to further test purchases. Recent emphasis has been around tackling illegal drugs use in licensed premises and links to criminality. The Drugs Dog has been deployed in RAM neighbourhood policing team and neighbouring wards, to send out a clear message to the 'on' trade also. As a result of these operations persons have been arrested for possession of controlled drugs and possession with intent to supply. One licensed premises has been taken to review and lost its premises licence on appeal at Magistrates Court (The Streets of Leeds).
20. The Neighbourhood Policing Team, in conjunction with Leeds City Council and West Yorkshire Police Licensing, have 'merged' three pub watch schemes bringing them together for the North Leeds area. This pub watch is doing well and support is being provided to help the trade 'help themselves' in addressing issues in licensed premises.

### **Hate Crime MARAC**

21. Co-ordinated multi agency working is recognised as the most effective response to all issues of crime and disorder, including agency responses to the victims and perpetrators of hate crime. The Hate Crime sub group was re-organised in April 2010 and became a Hate Crime Multi-Agency Risk Assessment Conference (HC MARAC). The overall objectives of the group is to:
  - Support and assist victims of hate crime in order to protect them and ensure that they are not re-victimised.
  - Ensure that effective co-ordinated multi agency enforcement action is taken against perpetrators of hate crime to prevent their re-offending and to ensure successful prosecution outcomes at Court.
  - Contribute to the "Hate crime reduction agenda in Leeds".
22. Overall the Outer North East area has shown a decrease of 25% in hate crimes reported and this equates to a reduction of 5 crimes - a total of 15 crimes reported compared to 20 during 2009/10.

### **Domestic Violence MARAC**

23. The North East Divisional MARAC continues to meet monthly to develop multi-agency interventions to support victims of domestic violence. Overall a very successful year in relation to reduction of repeat victimisation of MARAC cases.

274	10/02/2011	<b>Globe Arts/Crafts</b> - WE ARE WORKING WITH ALL YOUNG PEOPLE FROM THE AGES 11 UP TO 18. WE DO NOT DISCRIMINATE AND HAVE YOUNG PEOPLE FROM ALL DIFFERENT TYPES OF BACKGROUNDS WHO ATTEND. WE ARE TRYING VERY HARD TO BUILD UP A POSITIVE IMAGE FOR THE YOUNG PEOPLE IN THE VILLAGE. FOR YOUNG PEOPLE TO SHOW RESPECT, THEY NEED TO ALSO RESPECT THEMSELVES AND THEIR PEERS. WE FEEL ART AND CRAFT IS AN IDEAL WAY. THE YOUNG PEOPLE ARE IN THEIR OWN COMFORT ZONE AND EXPRESSION THROUGH CRAFTS WOULD REALLY LET THE YOUNG PEOPLE EXPRESS THEMSELVES AND WE COULD ALL LEARN A GREAT DEAL. SOMETIMES JUST THROUGH SITTING WITH THE YOUNG PEOPLE, PARTICIPATING IN A CRAFT – CARD MAKING, MOTHERS DAY PRESENTS AND SO ON WE CAN JUST ACTUALLY SIT AND CHAT IN A RELAXED WAY OFFERING HELP AND ADVICE WITHOUT THE YOUNG PEOPLE SOMETIMES REALISING WE ARE GIVING HELP AND ADVICE. WE WOULD LIKE TO START CRAFTS WITH IMMEDIATE EFFECT AND CONTINUE THIS THROUGHOUT THE WHOLE YEAR.	Globe Young Peoples Community Account	£500
305	23/03/2011	<b>Rejuvenation of East Gate</b> - We have a flower bed on the road approaching Boston Spa opposite Kirby's Builders Merchants. For several years now it has suffered because traffic coming down the hill sprays water and material off the road onto the bed and the plants take a constant battering. What we would like to do is create a raised earthen bank which raises the bed sufficiently to lift the plants out of the spray. We are not able to create a hard shoulder since the roads department tell us that this would be a traffic hazard. It will require around £250 to build up the bank using natural materials and create an attractive feature which is protected from the rain and traffic.	Boston Spa In Bloom	£250
