

Dear Sir,

I am really against another  
Licensed Premises in this area  
We already have 8 Licenced  
Premises in this area.

We are always picking up empty  
bottle tins.

And the mess around the shop that  
sells alcohol is awful.

We also have enough trouble at  
these shops.

I wouldn't go to these shops after  
11 o'clock because you get harassed  
with under age asking you to get  
them lager or cigarettes.

So no I don't agree with another

Thank you.
