Subject: OBJECTION - New Premises Licence - Licence application: Nisa Local 16-20 Fairleigh Road Tingley WF3 1PW
Importance: High

This e-mail is forwarded on behalf of Cllrs Karen Renshaw and Lisa Mulherin. Please could you include them in your response. Thank you.

Dear Sir/Madam

The above application has recently been brought to our attention. We are writing to inform you of our wish to oppose this application, on the grounds that:

- There is already a problem with anti-social behaviour in the area. The granting of this licence would lead to further anti-social behaviour in the area which in turn would put more pressure on the local Police force.
- The shopping parade in question where this proposed new premises licence has been applied for has already been the subject of two dispersal orders.

We trust that our objection will be given due consideration when this application is being considered.

Regards

**Councillors Karen Renshaw and Lisa Mulherin
