

TO: THE LICENSING OFFICER

Dear Sirs

**SHOP & OFF LICENCE  
16-20 FAIRLEIGH ROAD, TINGLEY, WEST YORKSHIRE**

Please take this letter as my full support to the opening of the new Nisa Local. This has been a long time coming.

The shop will be just what the neighbourhood needs and be of great convenience to all. The fact that there will be a cash machine comes as great news as the nearest one is quite a distance away.

The alcohol variety which is be carried by Nisa is something I am pleased about as the local shops supply a very limited choice.

I think that this shop is something that the community has been waiting for and I know will be used by many.

My full support for the opening continues and I hope my comments are taken on board.
