RE: NISA LOCAL - 16-20 FAIRLEIGH ROAD, TINGLEY, WAKEFIELD, WF3 1PW

I am writing to show support for the opening of Nisa Local. Within the community there are no other stores of this size with reasonable accessibility.

The store will be a "one stop shop" whereby you can purchase the majority of your shopping, if not all, all in one go !

The shop is to stock a wide variety of goods and alcohol and this means that you don't have the inconvenience of having to travel to one of the larger supermarkets for specific items that you are unable to purchase at a small corner shop.

I am pleased to see that there is in place excellent disabled access to the store which will have a huge impact on the elderly and disabled residents in the surrounding area. The store is within walking distance of most and will give those the confidence get out and shop without the worry of any access problems that they may be faced with in other shops.

I would appreciate it if you could take my comments on board and as part of the local community myself, I can only see Nisa Local opening being of huge benefit to the neighbourhood.

Many thanks.
