

Inner West

Year	Wellbeing Ref.	Scheme No.	Scheme title	Total Cost	Area Committee funding	LCC match funding	External match	Benefits
2004/5	IW/04/01/L	01875/WEI/OO1	Armley (Raynville) Road Repairs (Highways)	61.5	61.5	0.00	0.00	Repairs to roads in an area in serious decline, improved the street scene of the neighbourhood and enhanced the area which is through road to Bramley.
	IW/04/02/L	01875/WEI/OO2	Bramley - Stanningley Road Repairs (Highways)	51.9	51.9	0.0	0.0	Repairs to roads in an area in serious decline, improved the street scene of the neighbourhood within community and enhanced the area. Removal of an eyesore and health and safety risk blighting the community. Reduction in the cost of security sheeting on the property. Reduction in vandalism and illegal dumping of rubbish. The land will brought back within the control of Leeds City Council and the West Leeds Gateway Regeneration area for re-development in the future.
	IW/04/24/L	01875/WEI/OO3	Demolition Of New Wortley Liberal Club	29.5	29.5	0.0	0.0	
2005/6	IW/04/21/L	01875/WEI/OO4	Sculpture and Community Garden - Fairfield Estate	14.0	5.0	0.0	9.0	Community garden planned and designed by Fairfield Tennants & Residents Association at the entrance to their neighbourhood close to shops and which faces a main road leading into the area. contain a sculpture of 2 people set amidst shrubbery, flowers and seating with walkways through the garden leading into the estate. The garden will compliment the work already planned for the neighbourhood through the programmed improvements to the houses by Leeds West Homes and the refurbishment of the local Fairfield Community Centre. Cleaner safer environment - better use of the yards for hanging out washing, creating play areas, growing own plants and vegetables. Reduction in crime - fear of people hiding in the yards or making use of the yard for drug taking or exchanges. Health improvements – discourage the dumping of waste products both organic or material. Desire to live in the area – reduce turnover of residents moving in or out of the area. Spirit of community – encouraging community engagement, and literally breaking down barriers which prevent community cohesion.
	IW/04/22/L	01875/WEI/OO5	Armley Binyard Improvements	14.5	2.0	0.0	12.5	Creation of a pocket park with ball wall space for children to play with. A welcome addition to the estate. The seating area and paths to give a nice environment for the elder members of the community to walk and sit, giving an increased sense of community spirit for the estate.
	IW/04/07/L	01875/WEI/OO6	The Piggeries' - Rossfield Estate	30.0	10.0	0.0	20.0	work with local young people on motorbike safety plus work with citywide groups local yp to make modest contribution for fuel. School term time delivery to be based on accredited alternative curriculum programmes linked with other accredited courses. Charges to be made to schools to be re-invested into project. Priority to West schools. Saturdays school term time and evenings – for use by local young people (hours to be negotiated with consideration for local residents. Key link to Community safety in area and re-engagement of excluded yp into education
	IW/04/30/L	01875/WEI/OO7	Armley Lazer Centre Motorbike Project (L&L)	15.0	15.0	0.0	0.0	Positive public perception as a whole is also increased by the use of bike patrols due to the visible benefits of bikes i.e. more regular patrols and also patrols that can realistically catch up with and challenge congregating antisocial groups, often on bikes, who make off from officers deployed on foot or in cars. Thus helping to reduce crime and the fear of crime within our inner city communities.
	IW/04/31/L	01875/WEI/OO8	Pudsey Weetwood Community Cycle Scheme	3.4	2.0	0.0	1.4	
	IW/04/29/L	01875/WEI/OO9	Fairfield Community Garden Refurb of Kitchen	40.0	10.0		30.0	The project turned this land into a community garden with support from young people of the neighbourhood. Young people were consulted by the children's centre staff. The space required removal of rubble and the site levelling to form two distinct areas connected by steps and a path. Hard landscaping included paths, steps and sitting/play areas. Soft landscaping included native and wildlife attracting plants as well as scented plants for a scented garden. The project improved the environment and included young people in deciding on the design and development.
	IW/04/39/L	01875/WEI/OI0	New Wortley CC	0.4	0.4	0.0	0.0	

							The fence will made it a lot harder for the illegal riding of motor vehicles on this land. It also helped the police and park and countryside motor watch team in catching the illegal riders. The type of fence used also improved the area's appearance.
	IW/04/33/L	01875/WEI/O1	Fencing To Raynville Estate Multi-Use Games Area - Oak Road Rec Ground****	41.5	13.9	13.8	13.8
	?	01875/WEI/O2		1.5	1.5	0.0	0.0
	IW/04/59/L	01875/WEI/O3	Staningley Sports & ARLC Fencing project	10.0	10.0	0.0	0.0
	IW/04/61/L	01875/WEI/O4	New Wortley Cemetry Fencing ***	15.0	6.9	3.0	5.1
							To transform the old Bramley Fire Station Into a Community Safety Headquarters and state of the art visitors centre which would be use to teach fire safety to young people and improve community safety. This almost £3m scheme was located in Inner West partly due to Inner West Area Committee funding, match funded by Outer West.
2006/7	IW/06/01/L	01875/WEI/O15	Bramley Fireplace (Safety Central) Moorside Community Centre - New Kitchen	3,000.0	25.0	25.0	2,950.0
	IW/06/14/L	01875/WEI/O16		2.0	2.0	0.0	0.0
	IW/06/29/L	01875/WEI/O17	Security Gates to St Margaret's Church	1.0	1.0	0.0	0.0
							The project consists of the installation of two security gates at the entrances of St. Margaret's Centre in Ganners Way.
							New purpose-built office, with entrances/exits to the offices, thereby complying with fire safety regulations and that adequate space and security are provided to ensure that health and safety requirements are complied with. This will allow us to expand and support the existing and further work within the community as well as add to the comfort and security of the existing staff and provide room for further growth.
2007/8	IW/07/05/L	01875/WEI/O18	Christ Church Armley Meeting Room	45.0	10.0	0.0	35.0
	IW/07/04/L	01875/WEI/O19	Sikh Community Centre Refurbishment	100.0	10.0	0.0	90.0
	IW/07/10/L	01875/WEI/OZ0	Warning Signs Bramley Falls Woods	2.1	2.1	0.0	0.0
	IW/07/09/L	01875/WEI/OZ1	Barrier, Houghley Lane Armley	2.0	2.0	0.0	0.0
	IW/07/07/L	01875/WEI/OZ2	Gates Bin Yards Cedars Armley	9.5	9.5	0.0	0.0
	IW/07/13/L	01875/WEI/OZ3	Alley Gating Nancroft Mount Armley	7.6	3.8	0.0	3.8

							By placing railings on the low wall would act as a deterrent for youths to gather and caused criminal damage to nearby properties and vehicles and would also reduce the number of complaints of noise and incidents of ASB around this area. It would also reduce the amount of litter and debris therefore contributes to environmental improvements in the
	IW/07/19/L	01875/WEI/OZ4	Bellmount Railings	1.1	1.1	0.0	0.0 ginnel
	IW/07/20/L	01875/WEI/OZ5	Surestart Bramley	1.7	1.5	0.0	To build a partition wall with door frame and door in the main office of the Family Resource Centre which will create adequate meeting space for multi agency
	IW/07/23/L	01875/WEI/OZ6	Fairfield Estate Schemes	70.0	15.0	0.0	0.2 meetings. The projects will improve a number of binyards which will increase the safety of their use, help to discourage fly tipping and, provide the residents with a place to store their bins off the streets: This will help to present a tidier urban environment. There will be up to 10 binyards completed as part of the scheme
	IW/06/21/L	01875/WEI/OZ7	Bramley Replacement Pump and Railings	13.4	13.4	0.0	55.0 which are used by up to 40 people. restoration of the horse trough and village pump as well as repair or replacement of the metal fence. Part regeneration of Bramley Town Street. Improvement in appearance of the approach to the Shopping centre. Preservation and promotion of the history of Bramley.
							to install 4 Pedestrian gates and 12 metres of railings. The railings will be from the end of each gate and cut across through the shrubbery up to the palisade fence which exists. All residents will be provided with access keys. This will mean that the only people who will have access to the ginnel are the local residents who live there. This will greatly reduce the opportunity for crime and anti-social
2008/9	IW/0730/L	01875/WEI/OZ8	Wellington Mount & Terrace Alleygating	4.8	2.0	0.0	2.8 behaviour to occur at this location.
	IW/0819/L	01875/WEI/OZ9	Lighting Houghley Gill, Armley	30.0	15.0	15.0	to improve the safety of local people and school children using the access route and also to deter criminal activity affecting residents living close to the Gill. Environmental crime and criminal activity would also be addressed.
	IW/0818/L	01875/WEI/OE0	Landseer Drive Railings	0.8	0.8	0.0	Railings installed to improve community safety and reduce anti-social behaviour in the ginnel between Lincroft Crescent and Landseer Drive.
							Notice boards were installed to improve communications with communities in Bramley and Rodley. Many successful community events have been promoted in this way.
2009/10	IW/08/23/L	01875/WEI/OE1	Bramley/Rodley Noticeboards	5.0	5.0	0.0	0.0
	IW/09/07/L	01875/WEI/OE2	Operation Argus - Thermal Imaging Camera	2.3	2.3	0.0	The deployment of a thermal image camera to detects the highest temperature in any specific area that it is pointed in, & can also take thermal snapshots which in turn can be downloaded & used in evidence.
	IW/09/12/L	01875/WEI/OE3	West Inner Capture House	4.0	4.0	0.0	This project is intended to make criminals wary about coming into the West Inner NPT area of North West Leeds area to commit burglary. The intention is to increase the likelihood of criminals getting caught, additionally intelligence will be gathered about where stolen items are being sold and investigations undertaken on these locations.
	IW/09/16/L	01875/WEI/OE4	Youth Mobile	30.0	15.0	15.0	This project is needed because it is a continuation of a project which has already been running for the past three years. Young people have come to rely on being able to meet youth workers where they live and not have to travel to youth centres and other provision. Young people like the fact that they can come and meet youth workers on the van for a chat and also take part in positive activities. A very crucial part of the project is that it will begin working with NEET young people and will be staffed by two experienced connexions workers who are going to work with the young people in identified areas to try and reduce the NEET figures
	IW/09/15/L	01875/WEI/OE5	Alert Boxes	16.0	16.0	0.0	0.0 The Alert Box is a form of Electronic Business / Neighbourhood Watch that enables neighbours in a business or residential area to either forewarn or request help from each other, by simply pressing a button. Engaging the business community to be a part of the solution in reducing crime, the fear of crime and anti-social behaviour

							Two areas within West Leeds have been referred for alleygating and fencing, as both sites have experienced persistent crime and ASB. One site requires traditional steel alleygates, the other requires a substantial wooden fence. The sites are: The footpath at the rear of Aston Drive, Bramley and the opening into Houghley Gill woods from the end of a new-build private estate at Wyther Park Hill.	
IW/09/14/L	01875/WEI/OE6	Alleygating Project	4.4	4.4	0.0	0.0		
IW/09/13/L	01875/WEI/OE7	Haleys Field Allotment Toilets	20.0	20.0	0.0	0.0	This project is for the installation of a fully accessible toilet at Haleys Field Allotments. The allotment association currently have no facilities on site and this will allow a wider range of individuals to use the allotments. Installation of 53 metres of fencing to the site. This will complement the new gates that are also being installed (funded separately through P&C) and will make the site significantly more secure. Removal of all existing shrubs leaving existing trees in situ. Cultivate land creating lawned areas and mixed shrub / herbaceous planting. Supply and install two bench seats. Supply and install a history panel	
IW/09/26/L	01875/WEI/OE8	Bramley Improvements	8.8	8.8	0.0	0.0	Improvements to the Community Centre, which includes; New advertising notice board on the exterior of the building. Painting the hall, office, kitchen, 3 toilets, board room and utility room. Covering loose telephone wires on the external building	
IW/09/22/L	01875/WEI/OF1	Fairfield CC Improvements	0.9	0.9	0.0	0.0	Closure of through road at both ends. Includes: 2 point closures. Alterations to two bin stores to create turning heads Re-siting of one telegraph pole. Traffic Regulation Order to provide No Waiting At Any Time restrictions at new turning heads	
IW/09/24/L	01875/WEI/OF2	Armley Traffic Mangement Scheme	22.0	22.0	0.0	0.0	purchase and deployment of Security Radios in the Inner West area of Leeds. Bramley shops face problems with theft and assault from shoplifters, the bigger companies like Tesco, FarmFoods provide radios to immediately alert centre security to attend. The smaller units most privately owned family businesses cannot afford to provide these radios. This funding will enable these small business to acquire radios free of charge.	
IW/09/21/L	01875/WEI/OF3	Bramley Security Radios	3.7	3.7	0.0	0.0	DPPPO signs to informing people that they are in a Designated Public Place and that it is an offence to consume alcohol in this area	
IW/09/20/L	01875/WEI/OF4	Armley DPPPO Signage	0.8	0.8	0.0	0.0	Aerial Thermal Photography of the City will identify domestic properties in the Leeds administrative area that are losing excessive heat through their roofs. The information provided by the over flight will be used as a base line and for planning, targeting and promoting a range of interventions including the facilitation of the take up of energy efficiency grants to domestic properties	
IW/09/28/L	01875/WEI/OF5	Fuelsavers - Ariel Thermal Overflight	30.0	3.0	27.0	0.0		
2010/11	IW/10/11/C	01875/WEI/OF6	New Wortley Temporary Community Garden	1.2	1.2	0.0	0.0	to tidy up and create a community garden on an area of land that become available following demolition of 36 properties.
IW/10/16/L	01875/WEI/OF7	Fencing Scheme Bramley	1.0	1.0	0.0	0.0	This site is a ginnel and requires a fence panel in order to secure the rear of a garden that has been targeted for criminal damage. The site is: The middle of the footpath at the rear of 23 Landseer Gardens and 53 Lincroft Crescent, Bramley.	
IW/10/17C	01875/WEI/OF8	Grit Bins Bramley	1.7	1.7	0.0	0.0	Provision of 8 grit bins including initial fill at location identified by local residents/ ward members	
IW/09/27/L	01875/WEI/OF9	Broadleas CCTV	23.1	23.1	0.0	0.0	Installation of CCTV camera Reduce instances of anti social behaviour and criminal damage within the Broadleas. Enhanced community safety (and perception of safety); Promote business confidence	
IW/010/16/L	01875/WEI/OS0	Fencing Scheme Bramley	1.0	1.0	0.0	0.0	This site is a ginnel and requires a fence panel in order to secure the rear of a garden that has been targeted for criminal damage. The site is: The middle of the footpath at the rear of 23 Landseer Gardens and 53 Lincroft Crescent, Bramley.	

2011/12	IW/11/09/L	01875/WEI/OS2	Litter Bins - Bramley	1.2	1.2	0.0	Additional litter bins will be installed in Bramley Falls 0.0 Wood to improve the appearance of the park.
	IW/11/10/L	01875/WEI/OS1	Litter Bins - Armley	1.8	1.8	0.0	Additional litter bins will be installed on the Wythers estate and one near to Armley Town Street. The former has been developed in conjunction with a girls youth group and the local school who have run a competition to design a poster for wheelie bin stickers to reduce littering and improve the environmental 0.0 quality of the estate.
	IW/11/11/L	01875/WEI/OS3	Rodley Park Flower Bed	1.0	1.0	0.0	A new flowerbed has been installed to improve the appearance of the park and enhance the visitor 0.0 experience.
