Dear Emma,

I am writing in support of the application for the **White Swan**, 15 Crosshills, Kippax, Leeds, LS25 7JP to vary the layout and install a bottle bar.

This will make far better use of available space and give a new dimension to the pub which will in turn benefit the offer of the whole of Kippax High Street.

Jason, Darren and the rest of the management team have brought nothing but good to the High Street and I am confident they will ensure noise levels do not have a detrimental effect on other traders and users of the High Street.

Regards
