Dear Councillors

I refer to your letter of 22 August 2011 regarding the above application.

My thoughts regarding White Swan are nothing but positive. I have been thoroughly impressed with the new owners, and feel that a bottle bar would be a good use of the outside garage area. The thought and care that the new owners are putting into the White Swan can only be good for the area in general. I for one will be using the facility, should the application be approved.

Kind Regards.
