Dear Sirs

Re Licensing Application: The Spice Box, 152 High Street, Boston Spa, Wetherby  
LS23 6BW  
New Application for Recorded Music 10.00-23.00 and Sale of Alcohol Every Day  
12.00-23.00

I wish to comment on the above application as it seems important to stress that The  
Spice Box, at [REDACTED]  
[REDACTED]

I am happy the premises have been renovated and The Spice Box will open again for  
business. This is a good thing. However, all of us who live in this street are concerned  
that we should not be adversely affected in any way by the business of The Spice Box  
– the playing of recorded music and/or the sale of alcohol, or by customers leaving the  
premises at 23.00

[REDACTED] is Residents Only Parking. We trust that all car drivers who use The  
Spice Box will respect this - and that The Spice Box itself will ensure their customers  
do so. There is ample car parking space in the public car park by the Library, as well  
as on the High Street itself.

Yours sincerely
