This email has been sent on behalf of the Chapel Allerton Ward Councillors. Please ensure you include them in any response.

Dear Sir or Madam

We would like to submit our official objection to the licence application by the above premises. We object on the following grounds.

- There are residential properties nearby and we feel that there will be a detrimental effect on local residents with excessive noise levels from the premises and customers.
- It will increase the problem of litter and associated mess in the immediate area and surrounding residential streets.

We trust that our comments will be taken into account when considering this application, but if you require further information or comment please feel free to contact us.

Regards

Cllr Jane Dowson

Cllr Mohammed Rafique

Cllr Eileen Taylor
