The prevention of crime and disorder

2. A suitable CCTV system will be maintained and be operational on the premises at all times when licensed activities are being carried out.

Public safety

3. *All exit doors will be accessible, open easily, and exit routes will be maintained.*
4. Before opening to the public, checks will be undertaken to ensure all access to the premises are clear for emergency vehicles. Regular checks will be undertaken when the premises is open.
5. Regular safety checks of decorative and functional fixtures that could fall causing injury to the public or may cause a risk of fire, will be undertaken.
6. All floor surfaces will be suitably slip resistant, kept in good condition and free of obstructions to prevent slips. Trips and falls.
7. Hot food and drink preparation will be isolated or shielded from members of the public to prevent risk of scalds or burns to them.
8. Adequate and appropriate First Aid equipment and materials will be available on the premises.

The prevention of public nuisance

9. No nuisance will be caused by noise or vibration emanating from the premises. Licensable activities will be conducted and the facilities for licensed activities will be designed and operated so to prevent the transmission of audible noise or perceptible vibration through the fabric of the building or structure to adjoining properties.
10. There will be no external loudspeakers.
11. Deliveries, collections of refuse and bottles, and operational servicing will be carried out to minimise noise disturbance to adjoining premises. Instructions will be provided to drivers requiring them to switch off engines during deliveries, collections and servicing, and to minimise other noise caused by their activities. Deliveries will be carried out between 07:00 and 19:00 except where unavoidable.
12. The Licensee will ensure all lighting in the premises is of a suitable intensity and positioning. All lighting on or at the premises will be operated in a manner which will not cause a nuisance to nearby properties.

13. The premises will be operated in a manner which will prevent unwanted odours causing a nuisance to persons in the immediate area or nearby properties.
14. The premises will operate a suitable ventilation and extraction system. The system will be cleaned and maintained to the manufacturer's instructions to prevent unwanted odours occurring.
15. The licensed premises will store and dispose of business waste correctly and legally. The premises supervisor will ensure that the waste is prevented from seeping or spilling from where it is stored.
