Our Ref: Licence Applications

Date 2nd December 2011

Dear Mr Wu,

APPLICATION FOR PREMISES LICENCE AT STAR CHEF TAKEAWAY, 15B NORTH LANE, LEEDS 6.

Thank you for submitting your application for licensed activities at the above.

This Department is concerned about the proposed extension of the opening hours of the premises from midnight to 2am seven days a week.

It is accepted that the premises has operated as a hot food take away in excess of 10 years. However the operating times have been established in line with the current licence being midnight for the premises to close.

Although these premises are at the end of a shopping parade, there are residential properties in close proximity.

This Department considers that the proposed licence variation to permit the premises to open until 2am will result in noise and disturbance to nearby residents with the comings and goings, congregation of patrons outside the premises and noise relating to vehicles comings and goings, door slamming etc.

Therefore this Department strongly objects to the granting of this licence application on the basis that I am not satisfied that the licensing objective of the prevention of public nuisance would be met by permit the premises to operate beyond the current permitted hours of midnight.

Yours sincerely
