Woodhouse

A number of bin yards in the Little Woodhouse area were in such a state with refuse and fly tipping that they were unable to be used. PSCOs are now monitoring the yards as part of their duties and reporting incidents through to the Locality Team for potential further action.

Headingley

Environmental Services will be working with the PSCOs throughout the year to support the Councils Waste Strategy for inner North West Leeds including a number of communication campaigns over the whole year focussed on improving crime and grime outcomes. As part of this approach the PCSO's will be supporting a targeted door to door exercise in the area this autumn aimed at sharing and emphasising key messages on: environmental cleanliness, presenting and pulling bins back into properties on bin collection days, personal safety and burglary prevention.

Adel & Wharfedale

Littering from Ralph Thoresby High School has been identified as a problem by local residents. The Locality Team has been working with PSCO's to arrange for the school children to do litter-picking in the area. The Locality Team will be developing this approach to school-based educational activity in the new year and will seek to work with PCSO's to support community engagement activity and local monitoring.
