Dear Ms Goodwin

Licensing Act 2003

Name of Premises: Nisa Malvern

Address: Beeston Road, Beeston, Leeds, LS11 8ND

Thank you for submitting your application for the above premises.

Leeds City Council's environmental action service is of the opinion that your application contains insufficient information about how you intend to meet the licensing objective of the prevention of public nuisance. We therefore confirm that we are submitting a formal objection to your application.

However you could meet this objective by incorporating certain identified measures within your operating schedule. Therefore, please find enclosed a document which at part 1 contains the suggested measures which we consider are proportionate and appropriate to the nature of your application.

If you are in agreement with the suggested measures then please complete and sign part 2 of the enclosed form and return the complete document to me as soon as possible. Once we receive this it will be taken that you wish the licensing authority to amend your operating schedule to incorporate the proposed measures. If you have any questions please do not hesitate to contact me.

If you disagree with the suggested measures, then please complete part 3 and return the complete document to me as soon as possible.

If the opening hours as proposed under this application are different to those on the current planning approval, then you should also make an application for variation of hours to planning services . If you operate without planning permission, this may result in a breach of the relevant planning condition. If you wish to discuss this matter further please contact the development enquiry centre 0113 222 4409.

Yours sincerely
