Summary of main issues

1. The transformation of Health and Social Care Services is identified in the Scrutiny Board's Terms of Reference. At its meeting on 22 July 2011, the Board agreed to include this matter and the work of the Transformation Board within its work schedule for the current year.
2. At its meeting in September 2011, the Scrutiny Board considered a position statement on behalf of the Transformation Board. This provided an overview of the Leeds Health and Social Care Transformation Programme and outlined the supporting managerial / governance arrangements. The report highlighted five portfolio areas and provided a summary of three priority areas, as detailed below:

Portfolio Area	Summary provided
Older people and long-term conditions;	Yes
Urgent and emergency care;	Yes
Clinical value in elective (planned) care;	Yes
Estates; and,	No
Technology	No

3. Following the discussion, the Scrutiny Board agreed that a further update be provided to the February Board meeting.

4. An update report is presented at Appendix 1 to this report and appropriate representatives supporting the work of the Transformation Board have been invited to attend the meeting to present and discuss the information provided.
5. In addition, to help provide some national context around health and social care transformation, an extract from the House of Commons Health Committee's report on public expenditure is attached at Appendix 2. This extract details the conclusions and recommendations outlined in the Health Select Committee's report published on 24 January 2012. The full report is available using the following link:
