### The current situation

Studies have identified a larger than expected number of accidents involving pedestrians, cyclists and vehicles occurred on Roundhay Road compared to similar roads elsewhere in Leeds. Several of these occurred at or near the Shepherd's Lane junction.

Metro and the bus operators have identified Roundhay Road northbound as a major source of delay for buses in the busy afternoon period.

### What is being proposed?

Inside this leaflet you will find a plan showing our draft proposals, which include traffic signals at the Shepherds Lane junction, measures to assist pedestrians, a joint pedestrian/cycle crossing and a bus and cycle lane to operate during the busy afternoon period, with restrictions to other traffic at these times.

### Have your say

Please take the time to read this leaflet and fill in the questionnaire, which can be returned to our Freepost address. Alternatively you can look at the proposals on the City Council's website and submit your questionnaire on-line. Whichever method you use please respond by 18th November 2011.

If you want to discuss the draft proposals, staff will be available at The Compton Centre (Harehills Lane) on 2nd November between 11am - 2pm and 5pm - 7pm.

This leaflet can also be made available in large print, Braille, on audio tape and on computer disk. Please call (0113) 2478707 or e-mail [Travelwise@leeds.gov.uk](mailto:Travelwise@leeds.gov.uk) for assistance.

# Roundhay Road Highway Improvements Have Your Say

Leeds City Council is proposing to make changes to Roundhay Road between Gledhow Road and Harehills Road to improve road safety, assist public transport, cyclists and pedestrians; and support local needs to improve safety for all road users.

Draft scheme proposals to make these improvements have now been developed and the City Council wants to know the views of local people and those who use Roundhay Road.

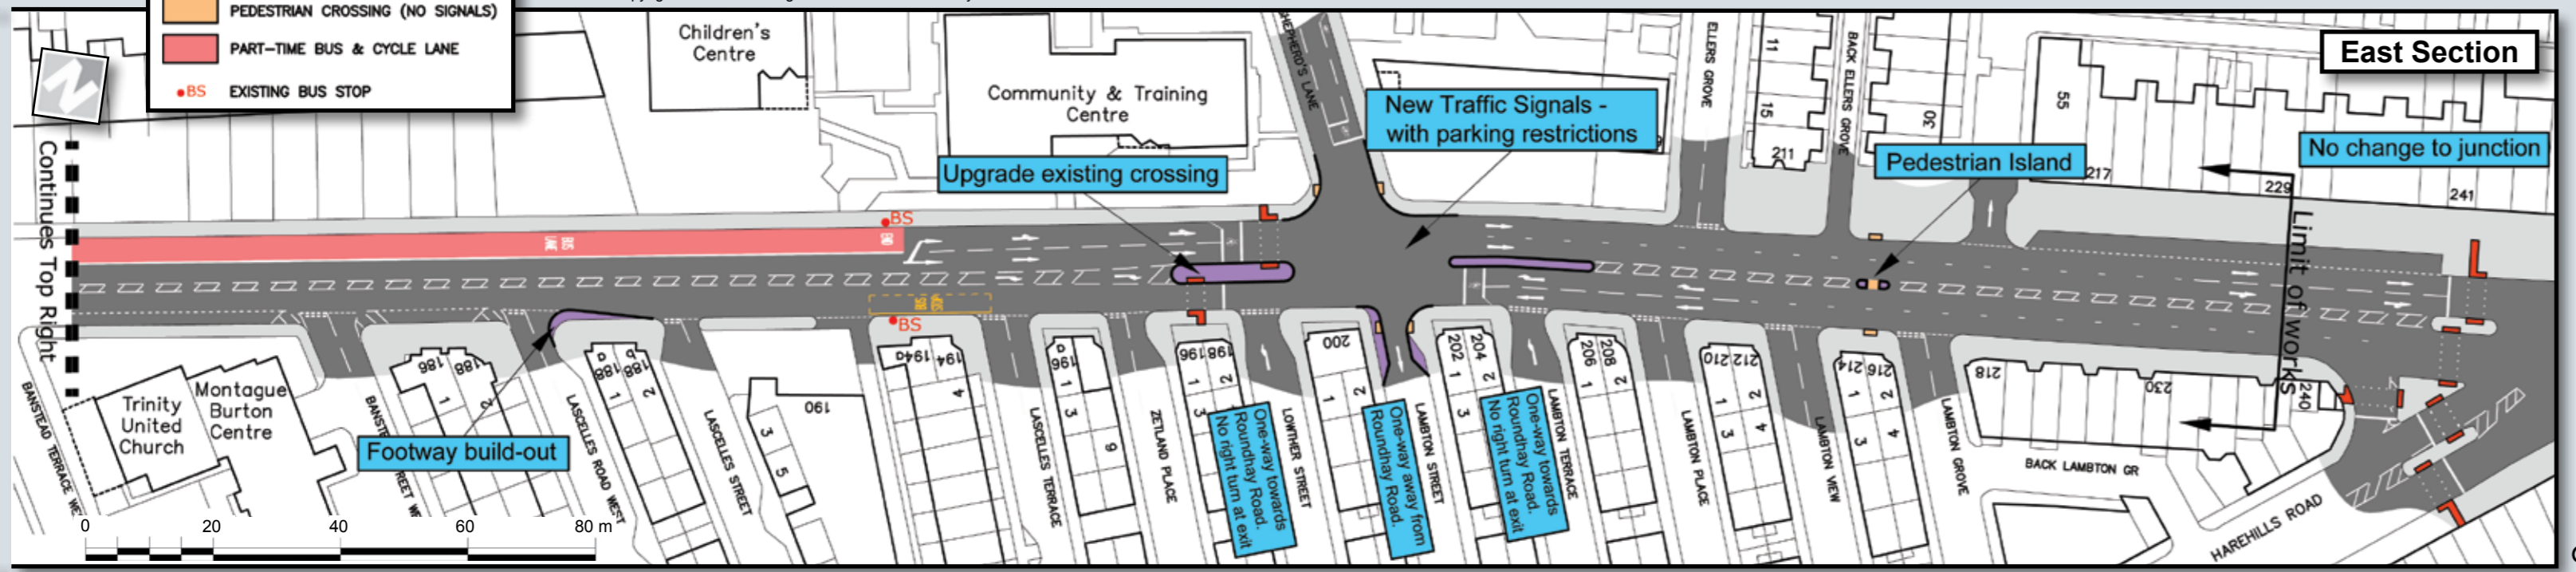

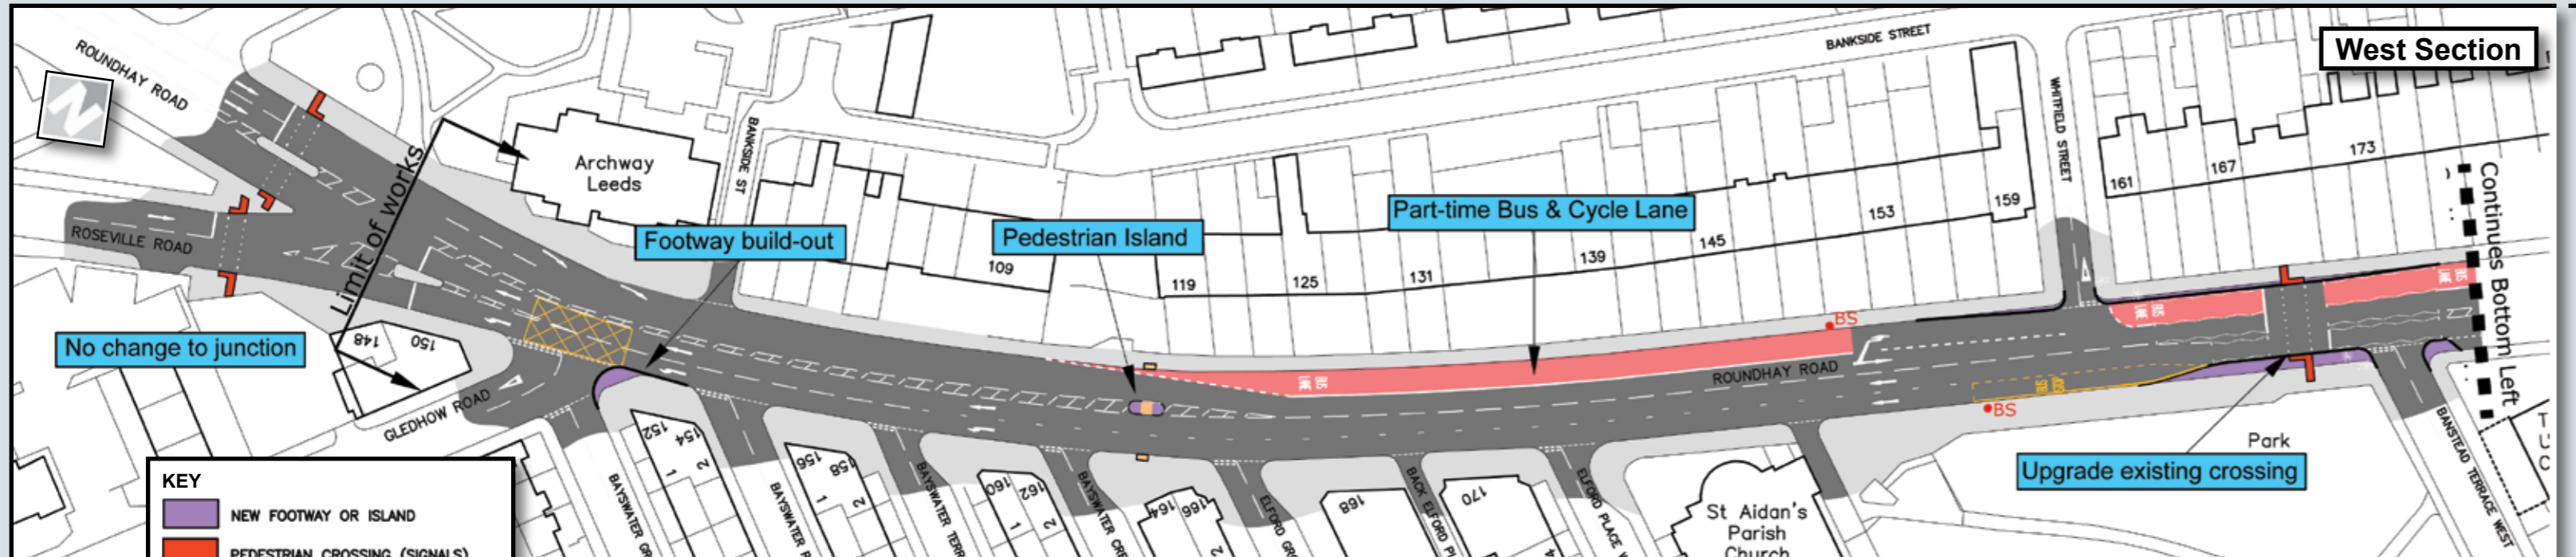

Please take the time to read this leaflet and fill in the questionnaire. The questionnaire can be returned to our Freepost address - no stamp is required.

You can also see our proposals on the Council's website: [www.leeds.gov.uk/roundhayrd](http://www.leeds.gov.uk/roundhayrd) where you can fill in the questionnaire on-line. If you do not have a computer at home you can use one free of charge in any public library in Leeds.
