the noise levels to a minimum so that we do not disturb our neighbors. b) The prevention of crime and disorder
We have installed CCTV inside and out side the shop which will prevent potential trouble makers to stay away. Also we will work closely with the local authorities to minimise crime in the area and help them where they require our assistance. Also we have installed alarms from chubs security which are well maintained and checked regularly.
c) Public safety
We will keep the access of the shop in conditions that are safe for the public to use, this will mean that it is kept clean and
Bell maintained.
d) The prevention of public nuisance
The public will not be disturbed from our business activity as we will make sure that the noise level is kept to a minimum and that our premises and its surrounding is kept in a clean and safe order. As it is a takeaway business this should not effect the neighbors as the main business activity involves delivery of food to peoples homes and not people coming to sit and have a meal.

e) The protection of children from harm

We have cameras installed and only serve to children that are with adults, This is a delivery business so we will be delivering to the houses and no children will be coming to the shop late at night.
