Hi. My name is Martin Trippett, I live at 143a Cardigan Road directly next door to the Left Bank and would like to put on the record that I have no objection whatsoever to the licence application.

My bedroom backs directly onto the venue and in all the time they've been running I have never once been disturbed by any of the events. Furthermore I've always found the people entering and leaving the venue respectful to myself and anyone else at my flat.

I believe the granting of the licence would be a wonderful boost to the area giving us a beautiful venue for interesting and colourful art events that no other venue in the area is providing and it has my full support.

Thank you.

Martin Trippett. 07855 812250
