Subject: The Warehouse [NOT PROTECTIVELY MARKED]

Entertainment Licensing

I write to confirm as requested that my objection under CIP to the application to vary the premises licence for premises known as The Warehouse is because of the creation of another bar area on the premises. I understand that the applicant feels this would relieve some congestion in the premises on the ground floor, which can only be a good thing. However, it also creates an extra point of sale for alcohol and therefore allows for an increase in the sales of alcohol to customers. The increase in availability of the alcohol would be my concern.

I hope this clarifies why I have made representations.

Regards

Cath
