	Increase the number of properties, which achieved the decency standard (to include all tenures)			

1. The three priorities from the Children’s Trust Board remain ‘amber’ this quarter. However, It should be noted that key challenges remain when performance is compared nationally or with statistical neighbours.

2 A review of this priority is underway at Quarter 4 focusing on defining a better measure of success. The recent realignment of services between City Development and Environments and Neighbourhoods will also improve the ability to deliver this priority
