This application was brought before the Licensing Sub Committee as it is the first application for a grant of a sex establishment licence and due to the receipt of relevant objections.

The Licensing Sub Committee considered:

1. The report from the Head of Licensing and Registration
2. Local Government (Miscellaneous Provisions) Act 1982 as amended by the Policing and Crime Act 2009
3. Sex Establishment Statement of Licensing Policy
4. Any objections received from members of the public
5. Any observations received from West Yorkshire Police

Background

The Policing and Crime Act 2009 amends the Local Government (Miscellaneous Provisions) Act 1982 and Schedule 3 to introduce a new classification of sex establishment, namely sexual entertainment venues. This brought a new licensing regime for lap dancing, pole dancing and other relevant entertainment venues.

Leeds City Council adopted the provisions of Schedule 3 on 19 January 2011. Extensive research and consultation with the trade, academics, action groups and the public resulted in a policy document that was passed by Executive Board in September 2011.

The policy adopted by Leeds City Council did not choose to place a limit on the number of permitted lap dancing venues within the city but instead set out the approach of encouraging the responsible promotion of licensed activities through frank discussions with the trade, the imposition of conditions and effective enforcement to address problems in partnership with key agencies.

The council does have the mandatory and discretionary grounds open to it to refuse any application for a licence. If it does not refuse it can impose appropriate conditions. The council's policy document contains 56 standard conditions which can be added to or varied at the discretion of the licensing sub committee on the granting of a licence.

The council received seven applications, all from premises which presently provide lap dancing under the terms of their existing licence issued under the Licensing Act 2003. If granted, these licences will take effect from 1 October 2012 and last for 12 months at which time an application will have to be made to renew.

Objections have been received from members of parliament, councillors, Leeds Object, Support After Rape and Sexual Violence Leeds and anonymous members of the public. These objections were primarily of a general nature dealing with all lap dancing clubs in Leeds, with a small number of objections specific to certain establishments.

Many objections received raised moral objections against lap dancing establishments in general.

Other objections received raised concerns about the numbers of lap dancing establishments in Leeds and asked for the number to be arbitrarily halved or capped. The policy adopted by Leeds City Council does not set a limit on the numbers of establishments as each application will be judged on its own merits. The licensing sub committee notes that the policy is to be reviewed in approximately 18 months time. Any change to impose an overall limit on numbers can be considered at that time.

Further objections received raised concerns on the subjects of:

- Licensing of lap dancing was contrary to the Equality Act 2010.
- The unsuitability of the locality of the proposed establishments.
- Offensive signage, imagery, and littering of flyers.
- Length of opening hours applied for including daytime hours.
- Women's safety - both leaving work at night and going to work early morning.
- Dancers' welfare and their commercial exploitation.
- Licensing would be detrimental to the Vision of Leeds 2011-2030 as it undermines the "fair, open and welcoming" vision.

The licensing sub committee has considered all of these further objections when considering it's decisions.

The sub committee has also read the Eden reports of 2003 (Lilith Report) and 2007 relating to studies in London boroughs and those studies that seek to reevaluate those studies. Also considered has been the work by Dr Teela Sanders specific to Leeds.

Application

Deep Blue occupies a small premises on Wellington Street. The immediate locality is predominantly office buildings with a public house next door and residential flats close by. The lap dancing clubs of Purple Door and Liberte are to be found on York Place to the rear.

The dancer welfare pack and disabled access was considered sufficient to satisfy the required Equality Act considerations as set out in the council's screening document as published on the web site. The dancer welfare pack was also sufficient safeguard on the concern of dancer's welfare and commercial exploitation.

The locality was not considered unsuitable given the opening hours suggested by the applicant places this premises operating in the late hours of the night to the early hours of the morning. The licensing sub committee were of the opinion that appropriately set hours could ensure that the premises could operate without impacting upon the surrounding offices and workers.

With regard to the close proximity of two other lap dancing clubs, it was the licensing sub committees view, due in part by the size of the three clubs, that this did not ghettoise or create a specific area of Leeds given over to lap dancing clubs. The concession by the applicant regarding opening hours was sufficient to address the concerns raised relating to the perceived risk to women's safety.

Councillor Lowe objecting pointed out that the locality was sensitive due to the premises being viewable from Leeds railway station. The sub committee accepted the evidence of the expert for the applicant that the view of the premises was oblique. The proposed changes to the front of the premises would be made it less visible.

The logo was considered inappropriate and could be offensive due to it portraying male genitalia. It was noted that the applicant was happy to make any changes required by the council. Other imagery proposed to be used at the venue and on flyers was not considered offensive. The licensing sub committee felt that the reference to "stunning girls" waiting for customers should be changed to "dancers" waiting for customers so as to remove any ambiguity that may be regarded as offensive.

Flyer distribution was said to take place only along the street and city square which may or may not exceed 100 metres of the establishment. Dancers, when smoking, are not visible from the street and are separated from members of the public. They are further to be wrapped in gowns of at least knee length so are not portraying an indecent image when seen by the public outside the venue.

The application made it clear that vehicles were not to be used and consented to a condition that they not be permitted.

Decision

The sub committee resolved to grant a licence in this application, subject to the following conditions.

1. All standard conditions be applied subject to the following amendments
 - a. Condition 10 - hours of opening will be: 10pm - 4am Sunday to Thursday, 10pm - 5am Friday and Saturday.
 - b. Condition 24 - leafleting / distribution of flyers will be extended to require the licensee to remove any leaflets from the highway within a 100 metre radius of the distribution point by 6 am in addition to the area surrounding the premises.
 - c. Conditions 51 to 53 - The conditions relating to vehicles will be replaced by one condition not permitting vehicles to be used for personal solicitation, touting or advertising but allowing the transport of customers to or from the premises but only by the use of licensed taxi and private hire vehicles.
2. The terrace level staff smoking area to the rear of the property be used by dancers and they should be covered up at all times with the knee length robes supplied by the applicant.
3. The licence is granted subject to the applicant providing a revised draft logo for the premises; this to be approved by the members of this sub committee as set out in standard condition 19 requiring the exterior appearance of the premises to be approved by the council in writing. The revised logo must be presented for approval by 31 August 2012. The premises will not be permitted to operate after 1 October 2012 if not approved.
4. Panic alarms are to be fitted to all the booths and VIP performance areas.
