1 Purpose of this report

- 1.1 This report seeks to update Members on the current amount of funding committed and available via the Area Committee Well-Being Budget for wards in the Outer West area and also to provide monitoring information on projects approved in 2011/12.

2 Background information

- 2.1 The Well-Being budget for 2012/13 is £154,240 with a carry forward of £757 giving a total budget of **£154,997**.
- 2.2 The Area Committees will receive no capital allocation for 2012/13. However, the Area Committee is still able to support capital projects through its revenue budget.

3 Main issues

- 3.1 The projects listed at Appendix 1 have previously been approved for 2012/13. The total cost of the projects approved is **£151,456**. This leaves a balance remaining of **£3,541**.
- 3.2 The application below has been submitted for financial year 2012/13. Details of this are attached at appendix 2.

Project	Applicant	Amount Requested
Pudsey Friday Night Project	City Development, Breeze Team	£3,000 (App2)
Total Cost		£3,000
Balance Remaining (if project approved)		£541

3.3 Small Grants and Skips

- 3.4 Since the last Wellbeing report to the Area Committee in March 2012, the following small grant applications have been approved:

3.7 There have been no skip requests received since the last Area Committee. There is **£368** remaining in the skips budget for 2012/13.

4 Corporate Considerations

4.1 Consultation and Engagement

4.2 Ward Members are consulted on projects and initiatives within their ward which link to the Area Management work programme via regular ongoing "Two Way Feedback" meetings, held with Area Management, and ad hoc meetings/telephone conversations as and when required.

4.3 Equality and Diversity / Cohesion and Integration

4.3.1 All Well-being funded projects are considered prior to their submission to Area Committee for their impact on Equality and Diversity and Cohesion and Integration.

4.4 Council Policies and City Priorities

4.4.1 The Area Committee Functions and Priority Advisory Functions were approved by the Executive Board in June 2009, this approval was rolled forward to subsequent years with amendments only to environmental delegations.

4.4.2 The Area Functions are included in the Council's Constitution (Part 3, section 3C).

4.4.3 Area Management's work programme contributes at a local level to the themes contained in the:

- Vision for Leeds
- Leeds Strategic Plan
- Health and Wellbeing City Priorities Plan
- Children and Young People's Plan
- Safer and Stronger Communities Plan
- Regeneration City Priority Plan

4.5 Resources and Value for Money

4.5.1 Programmes of work outlined in this report are resourced in the main by Area Management staff and where relevant their partners which in turn provides value for money.

4.5.2 In order to meet the Area Committee's functions (see Council's Constitution Part 3, section 3C), funding is available via Well Being budgets and the Community Centres Budget.

4.5.3 In order to meet the Area Committee's roles, funding is in the main supplied by other Leeds City Council Departments main stream budgets, and external partner

agencies e.g. the Police and Primary Care Trust, which is in turn reflected in the fact that the Area Committee's role here is only to influence, develop and consult. However, on occasion, wellbeing funding has resourced some projects related to its roles, e.g. community engagement, area based regeneration schemes and conservation area reviews.

4.6 Legal Implications, Access to Information and Call In

4.6.1 This report is the report of the Area Leader for West North West Leeds who has delegated responsibility to action decisions in accordance with Area Management's work programme in accordance with part 3 of the Council's Constitution in relation to Area Committee Functions.

4.6.2 This report is not confidential, neither is it, or part of it exempt.

4.7 Risk Management

4.7.1 Applicants for funding carry out their own risk assessments. If Well-being funding is not approved those projects presented for consideration may not be able to proceed.

5 Conclusions

5.1 The report outlines a limited budget remaining for the Area Committee for financial year 2012/13.

6 Recommendations
