Dear Mr Harry

TEMPORARY EVENT NOTICE: TEN/00038/12
NAME OF PREMISES USER: MR KIMBER CHURCHILL HARRY
EVENT PREMISES: TRAX, 148 CHAPELTOWN ROAD, CHAPELTOWN, LEEDS, LS7 4EE

I acknowledge receipt of your Temporary Event Notice together with payment of **£21.00**.
Please find attached our receipt numbered **015739** in respect of the payment.

IMPORTANT – Your duties regarding the display of the Temporary Event Notice

The Licensing Act 2003 requires that you do either of the following:

- Display the Temporary Event Notice for the duration of the event; or
- Display a Notice stating that a Temporary Event Notice is in force.

Please find enclosed a "TEN Summary" document (printed on green paper) which, if displayed, will satisfy the above criteria.

The legislation also requires you to produce the notice when asked to do so by either an officer from Leeds City Council or a relevant person. In this case a relevant person is either a police officer or an environmental health officer. Please refer to the attached general guidance notes for more information.

Please note Section 104 (1) of the Licensing Act 2003 states that you as the "premises user", must also give a copy of the Temporary Event Notice to the police and environmental health. If you have not done this, please do so now. The details of the relevant people are as follows:

West Yorkshire Police
Robert Patterson
Leeds District Licensing Officer
Millgarth Police Station
Leeds LS2 7HX

Leeds City Council - Health and Environmental Action Service

Millshaw Office
Millshaw Park Way
Churwell
Leeds LS11 0LS

The police and environmental health will make a decision about the proposed event based on the information contained in the notice. Should they consider that the activities proposed by the temporary event notice would undermine the licensing objectives they may serve a counter notice. Should this happen we will contact you and advise further.

If you do not serve the police and environmental health with a copy of the Notice this will make your Temporary Event Notice invalid. If you carry on this event without a valid Temporary Event Notice in place, you will be committing a serious offence under the Licensing Act 2003.

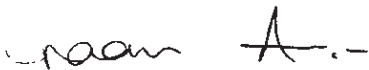

Important Note

The premises user should note that although they are operating licensable activities under the authorisation of the Temporary Event Notice, they are recommended to seek proper advice to ensure that the activities they propose are within the boundaries set by existing legislation and regulations.

There may also be planning conditions on the premises which restricts certain activities or prevents the premises being used beyond a certain hour. Additional permission may also be required to install any temporary structures or special effects at the premises.

Please do not hesitate to contact us should you require any further assistance.

Yours sincerely

Mr Shaam Amin

NOTES

General

The police and local authority exercising environmental health functions may intervene on the grounds of any of the four licensing objectives (the prevention of crime and disorder, public safety, the prevention of public nuisance and the protection of children from harm) to prevent the occurrence of an event at which permitted temporary activities are to take place or to agree a modification of the arrangements for such an event. However, the licensing authority may intervene of its own volition in the cases described below.

First, it will issue a counter notice if there is an objection to a late temporary event notice (see note 7 below).

Secondly, it may issue a notice in relation to its decision to impose conditions on a temporary event notice (see note 2 below).

Thirdly, it will issue a counter notice if the first, second, third and fifth of the limits set out below would be exceeded. If any of the limits below are breached or if a counter notice has been issued, any licensable activities taking place would be unauthorised and the premises user would be liable to prosecution. The limitations apply to:

- the number of times a person (the "premises user") may give a temporary event notice (50 times per year for a personal licence holder and 5 times per year for other people);
- the number of times a person (the "premises user") may give a late temporary event notice (10 times per year for a personal licence holder and 2 times per year for other people);
- the number of times a temporary event notice may be given in respect of any particular premises (12 times in a calendar year);
- the length of time a temporary event may last for these purposes (168 hours);
- the maximum aggregate duration of the periods covered by temporary event notices at any individual premises (21 days per calendar year); and
- the scale of the event in terms of the maximum number of people attending at any one time (a maximum of 499).

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count towards those totals. The limits applying to late temporary event notices are included within the overall limits applying to the total number of temporary event notices. Note 14 below explains the definition of an "associate".

When permitted temporary activities take place, a premises user must either ensure that:

- a copy of the temporary event notice endorsed as acknowledged by the licensing authority is prominently displayed at the premises; or that
- the temporary event notice is kept at the premises either in his own custody or in the custody of a person present and working at the premises and whom he has nominated for that purpose.

Where the temporary event notice is in the custody of a nominated person, a notice specifying that fact and the position held by that person must be prominently displayed at the premises.

Just to let you know that Environmental Health is objecting to the above application on the grounds of possible public nuisance (noise from loud music, comings and goings of customers). I have discussed this with the applicant Mr. Churchill.
