Identify those conditions currently imposed on the licence which you believe could be removed as a consequence of the proposed variation you are seeking.

WE ARE SEEKING THE REMOVAL OF CONDITION 21.3 AS WE WOULD LIKE TO SERVE ALCOHOL ON THE MIDDLE FLOOR WITHOUT IT HAVING TO BE ANCILLARY TO A TABLE MEAL. THE FLOOR PLAN IS TO REMAIN THE SAME AS IS CURRENTLY IS ON THE LICENSING PLAN.

THE FLOOR CAPACITY HAS BEEN SET BY BUILDING REGULATIONS AT 80 PERSONS WHETHER IT IS EATING OR DRINKING.

- I have enclosed the relevant part of the premises licence

Reasons why I have failed to enclose the premises licence or relevant part of premises licence.

Section 19 of 20

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

Continued from previous page...

If the club wishes members and their guests to be able to consume alcohol on the premises select on, if the club wishes people to be able to purchase alcohol to consume away from the premises select off. If the club wishes people to be able to do both select both.

All licensing objectives of our current licence would be strictly enforced and adhered to.

WYP have been consulted and i believe will make comment relating to this application.

LCC Risk Assessment V6 has been completed and forms part of our operation.

b) The prevention of crime and disorder

We are members of the WYP Street Marshall scheme and pay for street marshalls on Call Lane at weekends. Everything set out in our original operating schedule will continue for the extra trading hours. We would not accept any entry into the bar after 3am. Currently at 3am on a weekend the bar is full therefore at closing time there is a big influx of people being ushered out onto Call Lane. By extending our licensing hours we believe people will leave steadily and the hours after 3am will become more of a wind down period. This will mean there is less likely to be any problems of customers all trying to obtain taxis and potential problems being caused at this time.

We believe that the removal of the condition 21.3 will not impact as the capacity of the floor remains the same whether its people eating or drinking. Although the use of the floor is changing and consumption of alcohol alone without a table meal is very different, we don't envisage the middle floor to have a big impact on crime and disorder. Food will also be available at any time until closing the venue.

We have a very good record with WYP and have had very little crime and disorder since we opened two years ago.

c) Public safety

The operational safety objectives of our current licence would be enforced to the extended operational times and the middle floor.

d) The prevention of public nuisance

We believe that by extending the opening hours there will be less of an influx of people trying to get into other bars on Call Lane after 3am. This is the period when arguments take place as they are trying to obtain entry until 4am. If they are allowed to remain in our premises we are preventing public nuisance from other local business operators.

The capacity on the middle floor remains the same whether we have people eating or drinking so there shouldn't be an impact on public nuisance.

e) The protection of children from harm

N/A
Under 18's are not allowed in our premises at any time.
