Re: Pizza Bella, Market Place, Wetherby - entertainment license:
for the attention of Miss Jane Wood.

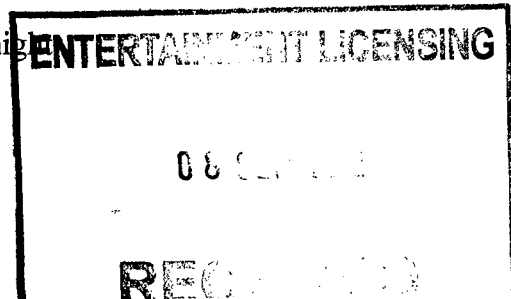

Collingham with Linton Parish Council wish to submit an objection against the extended times for the Pizza Bella based upon the potential for -

(i) considerable, additional litter depositing of pizza and drinks cartons in the vicinity of the centre of Wetherby Town, adjacent streets and the littering deposited from vehicles on highways nearby:

and (ii) the nuisance of noise in the locality after the hour of midnight

Yours sincerely,

Glyn Robins
clerk: Collingham with Linton Parish Council.

Subject: Pizza Bella Variation of Licence - Wetherby

Importance: High

Dear Jane,

Variation Premises Licence - Pizza Bella, 32 Market Place, Wetherby

Wetherby Town Council Planning Committee has now considered the above application and are opposed to all the variations that are sought for the following reasons:

1. Sale by Retail of Alcohol - The current licence allows for alcohol just to be sold purely for home delivery and we would not wish for an extension to the current hours of this home supply of alcohol.
2. Late Night Refreshments - Any extension of the hours will add to any antisocial behaviour in the area of the Market Place. Other establishments in the town are not open until these early hours and the noise level from people consuming take-away food will impact on local people who live very close to this establishment.
3. Would not agree to home delivery of Pizza and alcohol until 3 am in the morning on Christmas Eve - traffic noise etc in rural locations. Also would not want people to be calling for a Pizza on their way home from parties and creating antisocial behaviour problems in the town. There would need to be a local police presence until the shop had shut on Christmas Eve.
4. It is only a few weeks since they were granted permission for the home delivery of alcohol and why are we now getting another variation of licence when this could have been done all at the same time? Do they believe they by 'drip feeding' these changes we will have forgotten about the ones that have already been granted!

Yours sincerely,

Barbara Ball
