Summary of main issues

1. The Outer North East Area Committee received an update report from Children's Services at its meeting on 10th September. Arising from the discussions on this item, the Director of Children's Services provided a briefing note to address the specific concerns raised by the Area Committee regarding cluster funding arrangements. This briefing note, presented to the October area committee, prompted further questions; therefore the Director of Children's Services has been invited to this area committee.

The Area Committee also has some issues they wish to raise with the Director of Children's Services on the Youth Service Review arising from a discussion prompted by the Area Chair's minutes at the October area committee.

Recommendations

2. Members are asked welcome the Director of Children's Services to the area committee meeting and take the opportunity to receive a response on the issues raised, and raise any further questions or concerns they may have.

- 3.2 Firstly, concerns were raised in relation to the information provided in the briefing note from the Director of Children's Services on the funding arrangements for clusters. The Area Committee agreed to invite the Director to attend the December meeting to provide further information, specifically how much funding is top sliced from the dedicated schools grant for EPOSS schools and how much is then given back to the school clusters. The briefing note provided for the October area committee is attached as appendix A for information.
- 3.3 Secondly, the Youth Service Review which was reported as part of the Area Chair's minutes item. The Area Committee expressed concerns that the review seemed centred on experiences from the urban centre of Leeds and not enough had been done to consult with elected members from the outer areas. It was agreed that the Director of Children's Services should be asked to attend the December area committee with the Head of Service, Young People and Skills, to discuss the issue in more detail. The relevant excerpt from the Area Chairs minutes presented to the October area committee is attached as appendix B. The minutes from the Scrutiny Board (Children and Families) Youth Services working group are attached at Appendix C for information.
