

# The Arnold and Marjorie Ziff Tropical World Project

# THE ARNOLD AND MARJORIE ZIFF TROPICAL WORLD

**NOCTURNAL ZONE**  
 Replace enclosure lighting  
 Re-cover walls as rock  
 Replace flooring with decking

**AQUARIUM**  
 Transform the atrium area, walk through a new aquarium with new vibrant colourful tanks. This area will be in semi darkness where the fish will amaze all visitors, as they are highlighted by UV lighting. The centre piece will be a free standing Tropical coral tank, with amazing colourful fish. The Atrium area will also be in semi darkness by the installation of a false roof.

Tropical World - Aquarium

**CROCODILE ENCLOSURE**  
 Create a new enclosure for the Morlett's Crocodiles. The enclosure will give the visitor a first hand, close up view of the crocodile (that will grow up to 9ft in approx 5 years) but will maintain public safety. You will feel like you can almost touch the crocs - but not quite. This enclosure will maintain the specific welfare issues associated with these magnificent animals.

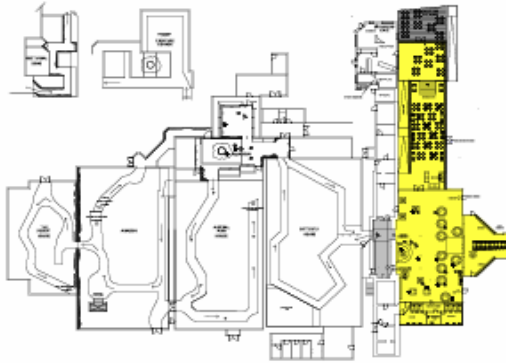

Tropical World - Crocodile Enclosure

Entrance \ Retail Area  
 and Cafe extension

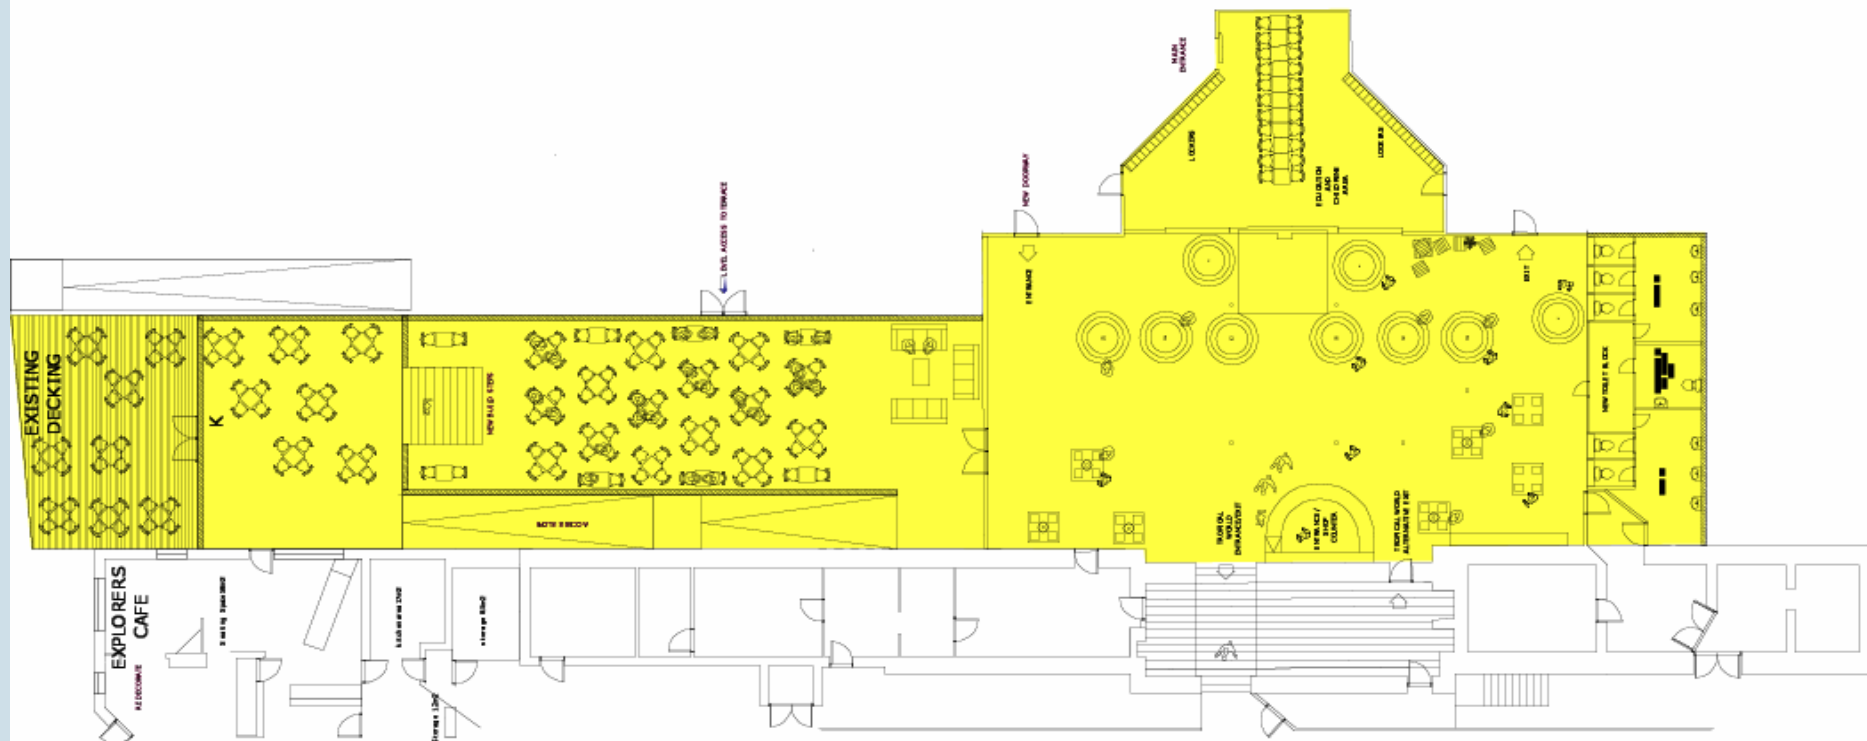

**ENTRANCE/RETAIL AREA & CAFE EXTENSION**
