It also seeks approval for the allocation of the remaining balance within the Hyde Park & Woodhouse Capital Pot.

Recommendations

The North West (Inner) Area Committee is asked to:

- Note the current budget position for the Wellbeing Fund for 2012/13 (Appendix 1).
- Note the content of the Quarter 2 Monitoring Returns (Appendix 2).
- Support the allocation of the **£652.28** remaining balance of the Hyde Park & Woodhouse Capital Pot to cover the capital element of providing festive lights in Little London.

1 Purpose of this report

- 1.1 This report provides members with an update on the budget position for the Wellbeing Fund for 2012/13 and provides budget monitoring information for Quarter 2. It also seeks approval for the allocation of the remaining balance within the Hyde Park & Woodhouse Capital Pot.

2 Background information

- 2.1 Area Committees have a delegated responsibility for the allocation of Area Wellbeing Funding. The amount of Wellbeing funding provided to each committee is calculated using a formula agreed by Council taking into consideration both population and deprivation of an area.
- 2.2 The Inner North West Area Committee seeks to ensure that Wellbeing fund recipients are able to commence delivery of their projects as early as possible in the financial year. To facilitate this process, a commissioning round is held prior to the financial year and the Area Committee meets to agree which projects will be funded in the year ahead.
- 2.3 In 2012/13, the North West (Inner) Area Committee received a sum of £215,580 of Wellbeing revenue. After deducting any existing commitments and taking account of the 2011/12 carry forward position, the Area Committee had £211,722 of funding available for allocation. All of this funding was committed to 27 projects, as listed in Appendix 1 (paragraph 1.2).
- 2.4 No additional Capital Wellbeing was allocated to the Area Committee in 2012/13.

3 Main issues

- 3.1 Wellbeing Budget Statement 2012 -13 and Quarter 2 Monitoring Returns
- 3.2 The latest Wellbeing Budget Statement for 2012-13 is included as **Appendix 1** to this report. This sets out the current budget position for Wellbeing projects showing the amount approved by the Area Committee and the value of funds spent to date. The Wellbeing Budget statement also outlines the current budget position of those projects funded in previous years which still have funding left to spend.
- 3.3 Details of monitoring returns provided by Wellbeing funded projects for Quarter 2 are set out in **Appendix 2**. It shows what progress has been made by projects to deliver the activity as agreed through the application process, which projects are now complete and which are still live. All projects are currently meeting the outputs as agreed in the project delivery statements. Members are asked to note the content of the Wellbeing monitoring returns.
- 3.4 Capital Projects
- 3.5 Members attention is drawn to the Hyde Park & Woodhouse Capital Pot which still has an available balance of **£652.28**. This pot was allocated for use within Hyde Park & Woodhouse Ward. After a discussion with Ward Members, it has been agreed to use this funding to pay for the installation of the electrical control

equipment to the lamp column for the festive lights in Little London. This is a one off cost and once installed will mean the column is available to use for festive lights in future years. This work was undertaken in November due to the time restrictions of implementing the project.

- 3.6 The Area Committee is asked to support the allocation of the remaining balance of the Hyde Park & Woodhouse Capital Pot as outlined above.

In addition, the Area Committee Wellbeing process is currently being reviewed citywide, which will include undertaking a new Equality Impact Assessment to ensure the Wellbeing process continues to comply with all relevant policies and legislation.

4.3 Council policies and City Priorities

- Vision for Leeds
- Leeds Strategic Plan

- Children and Young People's Plan
- Safer and Stronger Communities Plan
- Regeneration City Priority Plan

4.4 Resources and value for money

- 4.4.1 Aligning the distribution of Area Committee Wellbeing funding to local priorities will help to ensure that the maximum benefit can be provided.
- 4.4.2 In order to meet the Area Committee's functions (see Council's Constitution Part 3, section 3C), funding is available via Well Being budgets.
