Summary of main issues

1. To complement the 2012/13 Quarter 2 performance report and the updates on Quality Accounts (2011/12) (each presented elsewhere on the agenda) members of the Scrutiny Board are presented with a copy of a report presented to the NHS Airedale Bradford and Leeds Cluster Board on 6 December 2012. The report provides performance information relevant to the Leeds Clinical Commissioning Groups (CCGs) and the commissioned services that the CCGs will assume formal responsibility for from April 2013.
2. Performance information (appended to this report) provide an overview of performance in the following areas:
 - a. Financial Management;
 - b. Provider performance; and,
 - c. Quality and Safety
3. Representatives from NHS Airedale Bradford and Leeds Cluster and Leeds CCGs have been invited to the meeting to present the information and respond to matters raised by the Board.

Recommendations

4. That Members consider the information presented and identify any areas where additional information is needed and/or that require further scrutiny.
