**3 Purpose of this Report**

- 3.2 The report provides members with an update on the current position of the revenue Well-being Funding for the Area Committee and sets out applications made for consideration by the Area Committee.

#### **4 Background Information**

- 2.1 Each of the ten Area Committees receive an annual allocation of revenue funding to commission projects and offer grants to organisations in the local area. The amount of funding for each Area Committee is determined by a formula based on 50% population and 50% deprivation in each area, as agreed by the Council's Executive Board. The Area Committees also have the balance of any revenue Well-being budget which was allocated to them in previous years.
- 3.2 Alongside the Well-being budget, ward councillors have access to other sources of local funding, such as Section 106, Ward Based Initiatives (WBI), Members Improvement in the Community and Environment (MICE). The use of this funding is discussed at ward member meetings as appropriate.

### **3. REVENUE PROJECTS**

#### **3.1 Well-being Revenue – available funding for the current financial year**

The allocation to individual Area Committees is calculated using a formula based on 50% deprivation and 50% population. The Outer North East allocation for 2012/13 is £112,000.

The Outer North East Area Committee manages its allocation by proportioning the amount between the three wards based on population. For the 2011/12 allocation, the split between wards is:

- Alwoodley: £41,664 (based on pop. = 37.2%)
- Harewood: £33,712 (based on pop. = 30.1%)
- Wetherby: £36,624 (based on pop. = 32.7%).

The current revenue financial position of the Area Committee is shown in Appendix 1. The format, in which this information is presented, has been approved by the Area Committee to list clearly the schemes approved (i.e. committed) in 2011/12 and which are still to be paid for in 2012/13.

The funding is used to support the priorities in the Area Committee Business Plan as agreed by the Area Committee in March 2012. Updates on spending and projects funded will be reported to the Area Committee on a regular basis.

#### **3.2 New schemes for consideration**

- 3.2.1 In considering these applications members are asked to take into account timescales for the projects. If projects are continuing after 31 March 2013, members are asked to decide if the appropriate proportion of the grant should be set aside from the 2012/13 budget and carried forward, or be drawn from

the 2013/14 budget. This is of course subject to confirmation of the wellbeing budget for 2013/14.

- 3.2.2 **Project:** Partnership and Wellbeing for older people  
**Organisation:** Moor Allerton Elderly Care  
**Amount:** £15375  
**Ward:** Alwoodley, Harewood

The aim of this project is to improve the quality of life for older people by continuing to improve partnership working in the area. The grant will be used to support the work of a partnership co-ordinator whose role will be to:

- Maintain and strengthen links with key organisations in the area to support older people to be involved in the community, keep healthy, and reduce social isolation.
- Support older people who want to be volunteers in the community;
- Develop the idea of a dementia friendly community through building links with local organisations, and providing information to raise awareness.

The project has also been submitted to the Inner North East Area Committee as it covers Moortown.

The main outputs of the project will be to:

Consolidate volunteering work with Allerton Church of England, Wigton Moor and Shadwell Primary School;

Participation of a number of members in partnership schemes - working with East North East homes to reduce social isolation and working with Leeds Jewish Welfare Board to support volunteering;

Closer working with GPs, district nurses and other health services;

Involvement of older people in giving their voice to Leeds Community Health Care trust;

Joint activities and events to promote dementia friendly communities including working with parish councils, businesses, local councillors and other local groups;

Promoting improved health of older people by providing health information through a healthy living day;

**Community Charter Priority:** Supporting Moor Allerton Partnership;  
Promoting healthy lifestyles;

- 3.2.5 **Project:** Verge Improvements, Moss Syke  
**Organisation:** East North East Homes Leeds  
**Amount:** £5,000  
**Ward:** Harewood

Moss Syke in Scarcroft is a narrow cul de sac with limited parking. Local residents and their visitors park on the grass verges which are constantly churned up and muddy, or they park on the road leading in which creates access problems.

The purpose of this project is to remove the grassed areas in front of the properties and create car parking facilities.

The estimated total cost for the scheme from the Council's highways department is £25,000, it is anticipated that this can create between 10 and 12 spaces. The ENEHL Area Panel have agreed to contribute up to £20,000, but have asked for some alternative quotes to try and reduce costs.

This scheme can be completed by March 2013.

**Community Charter Priority:** Improving the Environment
