### Commentary

5.6% (78) of the children looked after population comes from the Outer West area. This figure is six lower than the June 2012 figure and reflects the decline in the numbers of children looked after across the city. 5.7% (16) of all children and young people entering care between April and December 2012 come from the Outer West area.

6.2% of CAFs initiated across the city come from the Outer West area. 1,765 requests for service, of which 572 met the threshold for being treated as a referral to the Children's Social Work Service, are from the area. The number of children and young people currently subject to a child protection plan is 67, nine lower than the June 2012 figure.
