### Notes

(1) Priority Neighbourhood Development Worker: This project was approved for £32,800 with £21,900 from 2006/07 revenue funds; however, due to slippage it is now known a maximum of £19,737 will now be required this financial year. The balance of £2,163 has therefore been recycled back into the budget for 2006/07. Note, however, that the balance of £2,163 will now represent a commitment from the 2007/08 revenue budget in order to ensure the worker is covered for the full 12 months as initially agreed.

(2) Easter Hip Hop School (Youth Service): This project was approved for £1,600. However, the project did not take place and so the funding has now been recycled back into the budget for 2006/07.

(3) Conflict Resolution Initiative: This project was approved for £4,990 and has now been completed with total costs of £4,000. The remaining £990 has therefore been recycled back into the budget.

(4) Urban Bar: The project was approved for £18,361. However, due to slippage a maximum of £9,180 will be required this financial year. The balance of £9,181 has therefore been recycled back into this year's budget. (Note, however, that the balance of £9,181 will now represent a commitment from the 2007/08 revenue budget).
