12a Number of family placement foster carers	104	5	n/a	(New data item)	31 Dec 2012	16	11	5

Commentary

5.6% (78) of the children looked after population comes from the Outer West area. This figure is six lower than the June 2012 figure and reflects the decline in the numbers of children looked after across the city. 5.7% (16) of all children and young people entering care between April and December 2012 come from the Outer West area.

6.2% of CAFs initiated across the city come from the Outer West area. 1,765 requests for service, of which 572 met the threshold for being treated as a referral to the Children's Social Work Service, are from the area. The number of children and young people currently subject to a child protection plan is 67, nine lower than the June 2012 figure.

<p>Commentary</p> <p>Primary school attendance in the Outer West area was 96.0%, marginally lower than the autumn 2011 figure but above the city average. Secondary school attendance was also marginally lower than the autumn 2011 figure, but was the same as the city average. 111 (7.0% of the city cohort - the third lowest of all area committees) of children were persistently absent (missing at least 15% of school) from primary schools in the area, and 274 (8.7%) children and young people were persistently absent from secondary schools in the area.</p> <p>The number of NEET young people in the Outer West area at the end of December was 92, two lower than the June figure. The level of NEET was 4.0%, significantly below the citywide level of 6.0%. Future reports will compare data with a corresponding period from 12 months ago. The total number of NEET for the West North West area in December 2011 was 449.</p>

<p>Commentary</p> <p>Both the percentage of primary schools, and secondary schools, rated good or better in the Outer West area have risen since the last report, with two primaries, and one secondary improving their ratings to good from satisfactory. The percentage of secondary schools rated good or better is 14 points above the city average, and the percentage of primary schools rated good or better has improved by nine points, and is now only five points behind the city average. There are no children's homes located in the Outer West area.</p>
