1.0 Purpose of this report

- 1.1 To assist the Scrutiny Board in effectively managing its workload for the forthcoming municipal year, this report provides information and guidance on potential sources of work and areas of priority within the Board's terms of reference.

2.0 Background information

- 2.1 Scrutiny Boards are responsible for ensuring that items of scrutiny work come from a strategic approach as well as a need to challenge service performance and respond to issues of high public interest.
- 2.2 The alignment of the Scrutiny Boards to the Strategic Partnership Boards continues to promote a more strategic and outward looking scrutiny function that focuses on the City Priorities, as set out within the City Priority Plan 2011 to 2015.
- 2.3 The City Priority Plan was established to replace the Leeds Strategic Plan. This city-wide partnership plan summarises the key outcomes and priorities to be delivered by the Council, and its partners, over the next 4 years. As such they are the "must-do" priorities or "obsessions" for each partnership and may be supported by more detailed action plans as the partnerships sees fit.

3.0 Main issues

Alignment with the Strategic Partnership Boards

- 3.1 As set out within its terms of reference, this Scrutiny Board is authorised to review or scrutinise the performance of the Sustainable Economy and Culture Partnership Board. In doing so, the Scrutiny Board will review outcomes, targets and priorities within the Business Plan and "Best City...for business" priorities, as set out within the City Priority Plan. These priorities are as follows:
 - Drive the sustainable growth of the Leeds economy to support the creation of new jobs and new skills;
 - Promote low carbon businesses, buildings, energy generation and connectivity across the city;
 - Raise the profile of Leeds and its cultural opportunities.
- 3.2 The current Council Business Plan 2011 to 2015 was refreshed in 2012 to update targets but it was agreed that it would be more formally reviewed after two years. This review has now been undertaken, including consultation with the Resources and Councils Services Scrutiny Board in April 2013. The new Best Council Business Plan 2013-17 is due to be considered by the Executive Board on 19th June 2013 prior to its approval at Full Council. The draft Plan is attached as Appendix 1.
- 3.3 In line with the Scrutiny Board Procedure Rules, the Scrutiny Board will also continue to act as 'critical friend' to the Sustainable Economy and Culture Partnership Board. In line with this approach, the Scrutiny Board will assess how well the Partnership is working in practice. However, in determining items of scrutiny work this year, the Scrutiny Board is also encouraged to explore how it can add value to the work of the Partnership in delivering on the city priorities.

Other sources of Scrutiny work

- 3.4 As well as the focus on partnership scrutiny, Scrutiny Boards have and will continue to challenge service directorates. The Scrutiny Boards' terms of reference are determined by reference to Directors' delegations.
- 3.5 The Scrutiny Board may therefore undertake pieces of scrutiny work in line with its terms of reference, as considered appropriate. Such pieces of work may arise from the Scrutiny Board's performance monitoring role. However, other common sources include requests for scrutiny and other corporate referrals.
- 3.6 The Board is also required to be formally consulted during the development of key policies which form part of the council's budget and policy framework. It is anticipated that the Scrutiny Board will be asked to contribute to the development of four such documents over the coming year:
- Leeds Local Development Framework Site Allocations Plan
 - Aire Valley Area Action Plan
 - Leeds Local Flood Risk Management Strategy
 - Initial budget proposals

Areas of Scrutiny work brought forward from the previous year

- 3.7 The Scrutiny Board carried out the first session of an inquiry into the role of leisure and culture in promoting public health in April 2013. It was agreed that the remainder of the inquiry would be carried over to the new municipal year, with revised terms of reference to reflect an emphasis on oversight of the Leeds Let's Get Active scheme. The draft revised terms of reference will be circulated before the Board meeting.
- 3.8 The Inner North West Area Committee made a request for the Scrutiny Board to review the closure of the West Park Centre. The Scrutiny Board agreed to undertake this piece of work as a 'learning lessons' review following the Executive Board consideration of the future of the centre.
- 3.9 In February 2012, the Scrutiny Board resolved to undertake further investigation of Section 106 financial obligations, to cover the amount of time taken for financial and non-financial obligations to be met/paid and actions taken to recover and enforce obligations. This work is outstanding, and the Board needs to decide whether it is still relevant for inclusion in the work schedule.

Utilising the Leeds Census as a valuable data source

- 3.10 The Census is a vital planning tool for both the public and private sectors and the data that is derived from it is an essential element in intelligence led decision making. Such data also helps to build a comprehensive picture of conditions in localities and helps identify the critical issues facing neighbourhoods.
- 3.11 The last Census took place on 27th March 2011. It was conducted on a resident basis and the statistics relate to where people usually live, rather than where they were on Census night. Students who were studying away from home during the terms were enumerated at their term-time address.

- 3.12 The “Leeds: The Big Picture” report provides a factual analysis of the data produced from the 2011 Census. It compares the data for Leeds to the averages for England and Wales and, where possible, includes comparisons to information from the 2011 Census. Additionally, the “2011 Census: Comparing the results across Leeds” document focusses on the comparisons between the ten Area Committees in Leeds, but also makes reference to the results by electoral ward and Lower Super Output Area to further demonstrate the extent of the differences across the city at the small area level.
- 3.13 The Executive Board recommended that all Scrutiny Boards consider the census information. A copy of the report to the Executive Board is attached at Appendix 2. The full reports are available on the Leeds Observatory under the Resources and Documents section (<http://www.westyorkshireobservatory.org/Leeds>).

4.0 Corporate Considerations

4.1 Consultation and Engagement

- 4.1.1 It is recognised that in order to enable Scrutiny to focus on strategic areas of priority, each Scrutiny Board needs to establish an early dialogue with the Director and Executive Board Members holding the relevant portfolios and also the relevant Partnership Board.
- 4.1.2 The Director of City Development and the Executive Members for Development and the Economy, Leisure and Skills and Neighbourhoods, Planning and Support Services have been invited to attend today’s meeting.
- 4.1.3 Also attached for Members consideration are the latest Executive Board minutes (Appendix 3 and 4).

4.2 Equality and Diversity / Cohesion and Integration.

- 4.2.1 The Scrutiny Board Procedure Rules now state that, where appropriate, all terms of reference for work undertaken by Scrutiny Boards will include ‘ to review how and to what effect consideration has been given to the impact of a service or policy on all equality areas, as set out in the Council’s Equality and Diversity Scheme’.

4.3 Council Policies and City Priorities

- 4.3.1 The terms of reference of the Scrutiny Boards promote a more strategic and outward looking Scrutiny function that focuses on the City Priorities. This particular Scrutiny Board is authorised to review or scrutinise the performance of the Sustainable Economy and Culture Partnership Board. In doing so, the Scrutiny Board will review outcomes, targets and priorities within the Business Plan and “Best City....for business” priorities, as set out within the City Priority Plan.

4.4 Resources and Value for Money

- 4.4.1 Over the last few years of Scrutiny Board work, experience has shown that the process is more effective and adds greater value if the Board seeks to minimise the

number of substantial inquiries running at one time and focus its resources on one key issue at a time.

4.4.2 Before deciding to undertake an inquiry, the Scrutiny Board is advised to consider the current workload of the Scrutiny Board and the available resources to carry out the work.

4.5 Legal Implications, Access to Information and Call In

4.5.1 This report has no specific legal implications.

4.6 Risk Management

4.6.1 There are no risk management implications relevant to this report.

5.0 Conclusions

5.1 Scrutiny Boards are responsible for ensuring that items of scrutiny work come from a strategic approach as well as a need to challenge service performance and respond to issues of high public interest. This report provides information and guidance on potential sources of work and areas of priority within the Board's terms of reference. In consultation with the relevant Director, Executive Board Members and Partnership Board representatives, the Scrutiny Board is requested to consider and confirm the areas of Scrutiny for the forthcoming municipal year.
