Intervention Plan (inc timescales)	Environmental Action Officers Report
<p>In the next 6 months we plan to have had a bin stencilling day so that residents bins can be easily identified. We also plan to write to businesses in the area to ensure that they have the correct commercial waste contracts in place.</p>	<p>The biggest problems in this EIZ are: Flytipping, litter, bins on street. Blanket Section 46 legal notices have been sent to all the residents in Seaforth Terrace and Seaforth Place so that we can then follow up any any continually offences more swiftly and with a fine.</p> <p>We check the flytipping 'hotspots' on a daily basis and work closely with streets colleagues regarding the flytipping and litter – arranging for the items to be removed after checking for any evidence. .</p> <p>We also have a good working relationship with business owners and speak to them regularly regarding commercial waste.</p>

**Legal Action/ Completed Prosecutions**

No Prosecutions have yet been undertaken in this Zone.
