## 1 Purpose of this report

- 1.1 This report provides members with an update on the budget position for the Wellbeing Fund for 2013/14 and notes those projects agreed for support from the Wellbeing Fund for 2013/14. It also highlights the current position of the Small Grants and skips pots and those Small Grants and skips that have been received since the last meeting. ## 2 Background information

- 2.1 Area Committees have a delegated responsibility for the allocation of Area Wellbeing Funding. The amount of Wellbeing funding provided to each committee is calculated using a formula agreed by Council taking into consideration both population and deprivation of an area.
- 2.2 The West (Outer) Area Committee seeks to ensure that Wellbeing funding is allocated in a fair and transparent way and that recipients are able to commence delivery of their projects as early as possible in the financial year. To facilitate this process, a commissioning round is held which required organisations to submit proposals for projects. Once the annual Wellbeing budgets are set by Executive Board and ratified by Full Council, the Area Committee meets to agree which projects would be supported in the year ahead. These projects are then monitored and assessed by the Area Committee throughout the year to ensure they are fully meeting their objectives.
- 2.3 In 2013/14, the West (Outer) Area Committee received a sum of £154,240 of Wellbeing revenue. After deducting any existing commitments and taking account of the 2012/13 carry forward position, the Area Committee had £154,899 of funding available for allocation. All of this funding was committed to 20 projects, as listed in **Appendix 1** (paragraph 1.2).
- 2.4 No additional Capital Wellbeing was allocated to the Area Committee in 2013/14.
