

COUNCIL MEETING – 11th JANUARY 2017

NOTICE OF:	Reference No:	Date Received:	Date Forwarded:
White Paper	WP2	16/12/16	3/1/17

Submitted by:	Councillor Stewart Golton
Relevant Board/Regulatory Panel:	Executive Board
Executive Member/Chair:	Executive Member (Environment and Sustainability)
Relevant Director	Director of Environment and Housing

This council believes that for residential developments to be sustainable they must have services and infrastructure at the same standard throughout the city.

Council therefore believes that a blanket ban on brown bin collections for residents in new developments along with "hard to reach areas" is unfair, discriminatory and divisive.

Council further notes that only operating the garden waste collection between March and October prevents a substantial volume of waste from being recycled.

Council therefore calls on the executive member for environment and sustainability to reverse the brown bin ban and use part of the £7million waste management saving generated by the East Leeds Incinerator to replace it with a policy that treats residents equitably and extend collections over the whole year.
