In Paragraph 3 replace ‘October’ **with** ‘November/December’

In Paragraph 4 replace ‘reverse the brown bin ban’ **with** “introduce further brown bin collections so as to meet the needs of Leeds residents”

Motion will read

This council believes that for residential developments to be sustainable they must have services and infrastructure at the same standard throughout the city. Furthermore Council calls upon the Planning Department to implement a policy that will see brown bin provision and collection form part of planning contributions from developers on all new housing sites for a period of 5 years from occupation.

Council therefore believes that a moratorium on brown bin collections for residents in new developments along with "hard to reach areas" is unfair, discriminatory and divisive.

Council further notes that only operating the garden waste collection between March and November/December prevents a substantial volume of waste from being recycled.

Council therefore calls on the executive member for environment and sustainability to introduce further brown bin collections so as to meet the needs of Leeds residents and use part of the £7million waste management saving generated by the East Leeds Incinerator to replace it with a policy that treats residents equitably and extend collections over the whole year.
