THEMES

Promote a cycle friendly city

OBJECTIVES

- **O9**. Promote cycling for transport, sport and recreation.
- O10. Promote good road safety behaviours, considerate cycling, and driver awareness.
- O11. Increase awareness of the widerbenefits of cycling to peoples' mobility and wellbeing.
- O12. Build on the city's reputation for staging major sporting, cycling and mass participation events.
- O13. Develop, promote and support events for young people.
- O14. Make effective use of social media and marketing to promote and grow cycling.
- O15. Embed a positive cycling and walking culture in all educational establishments.

- O19. Provide for cycling in the highways network as part of planned development and maintenance opportunities.
- O20. Encourage employers to provide cycling facilities at work.
- to cyclists.
- O23. Support the delivery of Cycle Hubs and Training Centres Citywide. including creating a cycle leisure park.

OUR COLLECTIVE VALUES

Our collective values are to:

- V1. Work together collaboratively to support and develop our volunteers, building strong and effective partnerships to bring new resources and investment into cycling.
- V2.
- V4.

- V3. Celebrate city wide successes, locally, regionally and nationally.
 - HOW WE MEASURE SUCCESS

Increased take-up **Bikeability places** in schools.

of schools with good quality cycle storage. Increased cycle network routes

Increased number of cycle club members.

Increased number of children cycling to school

Increased number of utility and leisure journeys made by bicycle.

Increased number

Contributing Towards: 'Our Vision to be the Best City in the UK 2030'

Build a great city for cycling

O16. Make the city centre and local centres cycle friendly.

- O17. Connect educational establishments to cycle networks.
- O18. Embed provision for cycling in the planning system and urban design processes to ensure all future school, workplace and residential developments are cycle friendly.
- O21. Complete the Leeds Cycle Network incorporating the six planned Superhighways and including Leeds Orbital Route.
- O22. Increase the number of leisure routes for cyclists and open our parks
- O24. Support the development of traffic-free and off road cycling circuits.

Build our knowledge and understanding of cyclists needs using an evidence based approach to inform our progress, including drawing upon the latest technical guidance and information.

Be inclusive of all groups, individuals and communities, and promote participation across all groups.

"The Leeds Cycling Starts Here Strategy has been developed by a partnership board involving of a number of key organisations, as well as a large scale consultation with members of the public and stakeholders. The partners listed below, are fully in support of the putting into practice the Leeds Cycling Starts Here Strategy"
