

COUNCIL MEETING – 8TH NOVEMBER 2017

NOTICE OF:	Reference No:	Date Received:	Date Forwarded:
White Paper	WP1	30/10/2017	31/10/2017

Submitted by:	Councillor Neil Buckley
Relevant Board/Regulatory Panel:	Executive Board
Executive Member/Chair:	Executive Member for Communities
Relevant Director	Director of Resources and Housing

This Council is concerned at the administration’s proposals to accommodate Gypsies and Travellers on numerous undisclosed “negotiated stopping sites” across Leeds.

Council does not believe any new sites should be brought forward without full consultation and the support of local communities. Council calls on the administration to immediately publish a list of the intended locations of sites so that there can be proper democratic oversight of the proposals and to allow local communities to express their views on the plans.

Finally, Council requests the Director of Resources and Housing to set out in a report to Executive Board how the Council can become more innovative in its use of monitoring and enforcement methods, so that when disruptive or costly activities occur on unauthorised encampments, those responsible can be held accountable.

Councillor Neil Buckley
