To add the following at the end of item 8:

To ask the Executive Board to reconsider the decision in relation to the 'Financial Health Monitoring 2017/18 – Month 9' Report contained at minute 148 of the Executive Board minutes of 7 February 2018. Council is concerned that debt levels, at £2.4bn including PFI, in both the medium term and beyond are becoming unsustainable. Therefore Council asks Executive Board to consider additional measures to monitor the Council's debt levels as part of the regular financial health monitoring reports that come to Executive Board.

Council also calls for a wider formal dialogue with appropriate scrutiny boards into the implications of the current debt levels held by Leeds City Council.

Councillor Andrew Carter
