‘committed to helping and supporting all the citizens of Leeds who may experience difficulties either claiming or whilst in receipt of Universal Credit and welcomes the recent funding announcement from Government that will see an additional £1.7bn per year invested into the programme.

Council is committed to liaising with local Jobcentres in Leeds to ensure the right support at the right time whether that is help to claim or to meet their obligations in looking for work or to keep up rent payments or support to budget their household expenditure. We are committed to providing support to make sure that people are claiming everything they are entitled to during the time they have to be on Universal Credit.

This Council supports the overarching ambition of the Government to make work pay.’
