

## **Appendix 2 to Agenda Item 5 – Leeds Local Plan: Adoption of the Site Allocations Plan**

Appendix 2 to Agenda Item 5 can be found as a separate document both to the paper and electronic versions of the agenda.

Both the electronic and paper versions are page numbered consistently for ease of reference.

The Appendix 2 has been split into 13 documents.

Presenting Appendix 2 in this way has been done to manage the print and publication of this significant document alongside the rest of the agenda and with the aim of clearly presenting it to the reader.
