

# Equality, Diversity, Cohesion and Integration Screening

## Appendix 2

As a public authority we need to ensure that all our strategies, policies, service and functions, both current and proposed have given proper consideration to equality, diversity, cohesion and integration.

A **screening** process can help judge relevance and provides a record of both the **process** and **decision**. Screening should be a short, sharp exercise that determines relevance for all new and revised strategies, policies, services and functions.

Completed at the earliest opportunity it will help to determine:

- the relevance of proposals and decisions to equality, diversity, cohesion and integration.
- whether or not equality, diversity, cohesion and integration is being/has already been considered, and
- whether or not it is necessary to carry out an impact assessment.

If other, please specify

### 2. Please provide a brief description of what you are screening

The George Street redevelopment scheme supports the Inclusive Growth priority in the Council's Best Council Plan 2018/19 – 20/21 by promoting investment which will contribute to economic growth and job creation.

The improvement and refurbishment works to Kirkgate Market provided an opportunity to consider the redevelopment of the George Street frontage in order to provide the Market with a 'new front door', with particular emphasis on improving connectivity into the Market. Executive Board gave authority for the Director of City Development to approve the awarding of the contract to Town Centre Securities as the Council's selected developer partner at its meeting in December 2017.

The George Street frontage comprises the 1930's single storey shops, the north side of Butcher's Row and the 1980's two storey shops and markets service office

accommodation. Since the last report to the Council's Executive Board, officers have engaged with tenants of the shops and office accommodation and have worked to relocate and/or compensate tenant accordingly thereby resulting in all the units now being vacant.

The scheme proposals are to be DDA compliant
