1. Purpose of this report

- 1.1 This report provides the Scrutiny Board with an update on the ongoing progress made by the council working with partners and communities in response to the unprecedented COVID-19 pandemic.
- 1.2 The Council's Chief Executive provided a comprehensive update report to the Executive Board during its meeting on 24th June 2020 on developments surrounding the Council's Response and Recovery Plan – which includes activity across partner organisations. This report has therefore been appended for the Scrutiny Board's attention and consideration.
- 1.3 However, due to the fast paced nature of developments of this issue, the relevant Lead Executive Board Members, the Director of Adults and Health, the Director of Public Health and representatives from across local NHS bodies have been invited to attend the meeting to provide a further verbal update on the latest position with regard to those service areas that fall within the remit of the Scrutiny Board (Adults, Health and Active Lifestyles).

2. Background information

- 2.1 The initial governance and delivery structure to drive the response to the coronavirus outbreak, including an initial Response and Recovery Plan, was considered by the Executive Board in March 2020. A further update report by the Chief Executive, which included an updated version of the Response and Recovery Plan, was then reported to the Executive Board during its first public remote meeting held on 22nd April 2020 ([Link to Executive Board meeting agenda 22-04-20](#)).

- 2.2 During April, arrangements were also put in place for each of the Council's Scrutiny Board Chairs to receive regular briefings from their respective Lead Directors and Executive Members to review the COVID-19 response. During May, these arrangements were extended so that, on a fortnightly basis, all Scrutiny Board Members were also being engaged (as part of a remote working group) in those briefings.
- 2.3 The Scrutiny Board held its first public remote meeting on 23rd June 2020 to consider the update report of the Chief Executive on the Council's Response and Recovery Plan which was reported to the Executive Board on 19th May 2020 ([Link to Executive Board meeting agenda 19-05-20](#)). During this meeting, the Board was briefed on how the Council and its partners are working collaboratively to support the broad range of patients, service users and stakeholders across the health and care system during such an unprecedented and difficult period. The key issues raised at that stage are set out within the minutes of the Scrutiny Board's meeting.
- 2.4 As part of today's meeting, the Scrutiny Board is continuing to focus its attention on how the Council and its partners are working collaboratively to support the broad range of patients, service users and stakeholders across the health and care system during such an unprecedented and difficult period.

3. Main issues

- 3.1 Due to the fast paced nature of developments of this issue, the Board will be briefed on the latest position with regard to those service areas that fall within the remit of the Scrutiny Board (Adults, Health and Active Lifestyles), including the areas identified above.

4. Corporate considerations

4.1 Consultation and engagement

- 4.1.1 An invitation to this meeting has been extended to the Executive Board Member for Adults, Health and Active Travel; the Director of Adults and Health; the Director of Public Health; and representatives from across local NHS bodies have been invited to attend the meeting to provide a further verbal update on the latest position with regard to those service areas that fall within the remit of the Scrutiny Board (Adults, Health and Active Lifestyles).

4.4 Resources, procurement and value for money

- 4.4.1 Given the significance of the financial implications of coronavirus, arrangements are in place for the Council's Executive Board to receive separate and more detailed reports on this matter. The Council's Strategy and Resources Scrutiny Board will also be maintaining oversight of the Council's financial management strategy in accordance with its remit.

4.5 Legal implications, access to information, and call-in

- 4.5.1 This report has no specific legal implications.
