internal control supporting the Council's Annual Governance Statement.

What consultation and engagement has taken place?

The suite of work undertaken within counter fraud forms part of the consultation which takes place in developing the risk based Internal Audit plan.

What are the resource implications?

4 The work undertaken to satisfy the counter fraud and corruption requirements of the internal audit plan do so from within existing resources.

5 The two update reports to be received by committee each year provides assurance that effective arrangements are in place to combat the risk of fraud and corruption within the council.

What are the legal implications?

6 The Local Government Act 1972 (s. 151) requires local authorities to make arrangements for the proper administration of their financial affairs.

What are the key risks and how are they being managed?

7 Please see the report at Appendix 1 for further details.

Does this proposal support the council's three Key Pillars?

- 8 Arrangements in respect of counter fraud and corruption support the ongoing delivery of the council's key objectives.

Options, timescales and measuring success

What other options were considered?

9 Details of the consideration and development of the Council's arrangements are included in the attached appendix.

How will success be measured?

10 A successful counter fraud and corruption environment will protect the Council's resources, underpin the successful delivery of the Council's strategic objectives, and contribute to the value for money conclusion of the Council's external auditor when reviewing the statutory statement of accounts.

What is the timetable for implementation?

11 Work is ongoing as set out in the appendix attached.
