Appendix 12

Project Name: Alert Boxes

Lead Organisations: Leeds Ahead

Project Delivery - How will the project be delivered? (list any partners involved in the project):

By the Town Centre Manager in conjunction with West Yorkshire Police and local businesses.

Project Summary (include a brief description of the main activities, why the project is needed and links to key priorities):

The Alert Box is a form of Electronic Business / Neighbourhood Watch that enables neighbours in a business or residential area to either forewarn or request help from each other, by simply pressing a button. Engaging the business community to be a part of the solution in reducing crime, the fear of crime and anti-social behaviour.

The 'Warning' setting is for low level incidents and lets neighbouring traders know if there is a situation causing concern, i.e. someone trying to pass counterfeit money, suspicious activity, known troublemakers in the parade etc. Thus improving awareness and communication to prevent incidents.

The 'Help Button' setting is for higher level incidents where assistance is required and that the emergency services may need to be called. i.e. personal safety, medical and fire problems etc. Again improving awareness, communication and witness information to assist the emergency services.

The likelihood of a situation starting or escalating is reduced as individuals concerned are aware that neighbouring retailers are observing them. Additional street signage, window stickers and seeing the Alert box on the wall will further help to deter criminals. The box is simple and easy to use and requires no ongoing maintenance.
